Re: Athletic Director Report August, 2014

Once again I am very excited about this upcoming school year. The 2013-2014 sports year was one to remember and the 2014-2015 school year has the potential to be just as great!

We will hold a Fall Sports Parent night Tuesday August 12th to help distribute forms to parents in hopes to cut down on the paperwork that the fall coaches face each year. This will be for football, volleyball and cross-country parents and athletes. Tuesday August 5th is/was the sports physicals at rehab authority and through that we will portion of the dollars collected to our athletic department. This will help in the purchasing of our athletic tape, wraps, and first aid.

Other News...

Doctor Jocene Skinner has volunteered to be our Team Physician this year. This is a huge asset to us and will serve a great need for our student-athletes! Also Carl Barnett has volunteered as a trainer for us to help fill in with our loss of Lynn Johnson. He has helped in a couple of games in the past and has worked with Dr. Skinner so that past relationship will be helpful.
