

## Duchesne FFA Fall Trip 2022

The purpose of this trip is to give the students an opportunity to experience careers in agriculture and related fields, universities to attend, and the history of our country. Our mission is to explore, discover, learn and succeed. This trip has been opened to Tabiona FFA, Altamont FFA and Manilla FFA. We are hoping to take 30 students and 3-5 adults.

### Finances.

These numbers are per student for the entire trip based on 30 students

Hotels = \$105

Food = \$35/day for 5 days = \$175 (I think this is on the high side, the hotels will provide breakfast)

Extra activities = \$30 (museums , straw maze, etc)

Bus = \$267

Total for the trip \$577 per student

We have a cinnamon roll fundraiser planned and have been talking to a few businesses about sponsoring the trip. With both of these items in place, we are hoping to reduce the amount the students will have to pay to \$300.
