**Activities:**

The month of April was fairly busy towards the end of the month. The students are starting to be see the end of the school year and some of the behaviors reflect the closing of the school year. Some of the issues I have been seeing are driving behaviors and poor behaviors in the school.

Prevention Conference in Sun Valley was excellent training. I attended a good presentation about de-escalation in the classroom. Sam Kuoha from the Rupert Police Department did a good class on gangs and identifiers for gang members. I also attended a class on Bullying reference a school district's response and how they educated kids in their district. The training was very useful and I brought back many different ideas of how to better help the students. The conference was very beneficial.

**Presentations or Training:**

- Training to West End Fire Department on Standard Response Protocol
- Presentation to Minico High School students on Sex Respect and Digital Security
- Presentation to Rupert Elementary 5<sup>th</sup> graders on bullying and behavior
