

Board of Trustees Valley Mills Independent School District

AGENDA ITEM: E-5

DATE: January 21, 2015

SUBJECT: Tax Collection Report

NEW BUSINESS

BACKGROUND INFORMATION:

The Tax Collection Report compares the School Year to Date Tax Collections of the current year to the previous year for the same time period. It is based on 100% of the tax projections as provided by the Appraisal Districts when certified values are issued and not on the 96% collection rate used by the District for budget purposes. Tax Collections through the month of December are up slightly (3.16% greater) than collections for December 2013 as per the report enclosed for your information.

RECOMMENDATION:

I recommend approval of the tax collection report, as presented.
