

Update on Insurance Claims and Mitigation Grant Funding for  
Campus Facilities Damage Caused by Hurricane Harvey

Staff will provide an update on the insurance claims and mitigation grant funding for campus facilities damage caused by Hurricane Harvey. A proposal for engineering consulting services was submitted by Walker Consultants for the assessment and remediation related to the ongoing water infiltration at the main campus as part of the mitigation plan. The total fee amount of this proposal is \$22,000. It is staff's recommendation that this proposal be accepted.

Following discussion, the Facilities Committee will determine a recommendation to the Board of Regents regarding the Walker Consultants proposal.
