**Re:** Final School Calendar

---

## **Recommendation:**

It is the recommendation of the Superintendent to approve the final school calendar, utilizing emergency days for June 3 and June 4 for students and having a flex professional development day for certified staff..

## **Background Information:**

This school year we had 3 inclement weather days, January 12, 2024, January 16, 2024, and January 23, 2024. Teachers have 177 student contact days in our contract. 176 are required by the State of Illinois. It is the recommendation that we make these 3 days up by having 2 student contact days: Monday, June 3, 2025 and Tuesday, June 4, 2024. The additional teacher contract day be used as a flex professional development day this summer scheduled with the leadership team.
