

Medford Public School  
ISD #763

Medford School Board Meeting  
November 16, 2015  
Medford Elementary School – Mr. Ristau

**OCTOBER 14 - DATA DAY**

IXL training  
Analyze student data across content  
Map curriculum to standards to ensure they are being taught  
PLC work

**OCTOBER 26 - YOUTH WINTER SPORTS SIGN-UP**

Representatives from MBA, Community Education, Wrestling Boosters and Owatonna Parks and Recreation were on hand to sign K-6 students up for a youth winter sport.

**NOVEMBER 12 - MATH CURRICULUM SEARCH**

Kathy Hartman is leading this process. She met with K-12 staff to do a needs inventory and begin this process. Grade level and department representatives were on hand.

**FALL OLPA'S**

Grades 3-6 completed Fall Math OLPA's on their I-pads. This process went fairly well and Mr. Shipway deserves credit for the scheduling and ensuring the technical aspects of testing were ready.

**ELEMENTARY LOCKERS**

The "Locker Guy" did a walk through and gave an estimate to increase the number of lockers in the elementary. Nearly half of our students share lockers. Health/hygiene issues and general overcrowding have become more apparent.
