**To:** Dr. Carol L. Kelley, Superintendent of Schools  
Members-Board of Education

**From:** Gina Herrmann, Senior Director of Human Resources

**Re:** Public Act 096-0434 – Salary Compensation Report (FY20)  
Public Act 097-0609 - IMRF Employees Total Compensation over \$75K (FY21)

**Date:** September 22, 2020

Pursuant to PA 096-0434, “on or before October 1 of each year, each school district in this State, including special charter districts, shall post on its Internet website, if any, an itemized salary compensation report for every employee in the district holding an administrative certificate and working in that capacity, including the district superintendent. The salary compensation report shall include without limitation base salary, bonuses, pension contributions, retirement increases, the cost of health insurance, the cost of life insurance, paid sick and vacation day payouts, annuities, and any other form of compensation or income paid on behalf of the employee. This report shall be presented at a regular school board meeting, subject to applicable notice requirements. In addition, each school district shall submit the completed report to the office of the district's regional superintendent of schools, which shall make copies available to any individual.” The data contained in this report has been reported to the Illinois State Board of Education via the Employee Information System Report. The state requires that districts report final earnings in August following the end of the previous fiscal year. As a result the Salary Compensation Report contains data from FY20.

Pursuant to PA 097-0609, school districts have the, “duty to post information pertaining to benefits offered through the Illinois Municipal Retirement Fund. (a) Within 6 business days after an employer participating in the Illinois Municipal Retirement Fund approves a budget, that employer must post on its website the total compensation package for each employee having a total compensation package that exceeds \$75,000 per year. If the employer does not maintain a website, the employer must post a physical copy of this information at the principal office of the employer. If an employer maintains a website, it may choose to post a physical copy of this information at the principal office of the employer in lieu of posting the information directly on the website; however, the employer must post directions on the website on how to access that information.” The posting must include the "total compensation package" which the code defines as “payment by the employer to the employee for salary, health insurance, a housing allowance, a vehicle allowance, a clothing allowance, bonuses, loans, vacation days granted, and sick days granted.” Since this public act is tied to the approval of the FY21 budget, FY21 salaries and benefits are included in this report.

Both reports will be added to the website no later than October 1, 2020. Board approval is not needed; however, the salary information should be presented at a regular school board meeting.
