Once your feet are under you as a principal, I'd be grateful if you'd consider with the BAY families whether they feel it's important/necessary for the school to maintain 4 separate student accounts:

Student Gov: End of Year Balance - \$2,337.63
Elementary: \$80.25
High School: \$411
Music: \$123.58

Chignik Bay Student Account Total # 2852.46

Questions: Pete #?

→ Parents offering to give food, Sandy list of supplies for snacks, volunteer to give groceries

→ Kasu will get list from Sandy

If the families are in agreement, they could simplify down to 2 accounts and do something like Port Heiden, and maintain a student government account and a student activities account.

Anyway, it's not major deal, but it might be nice to have 2 to maintain instead of several inactive accounts. (The bottom 3 had no activity last year.) If the change is something they're on board for, it would be necessary to have it in the LSAC minutes (especially for the community account-music) and/or to have student/parent signatures authorizing the consolidation/change.

Thanks!
