TASB Policy Update 97

Purpose of Report

Update 97 includes 2 local policies, 14 legal policies, 1 exhibit and 2 policy deletions. TASB Update 97 addresses several amendments to the Texas Administrative Code. While many of these rule changes may be affected by the 83rd Texas Legislative Session this update will reflect the Administrative Code text currently in effect to maintain current law. The major topics affected are instructional materials, bilingual education, communicable diseases, state assessments and the Texas Virtual School Network. Other changes were also made in the Family and Medical Leave Act rules.

Local policies included in Update 97:

- **CNA (Local) Transportation Management: Student Transportation**
- **DBAA (Local) Employment Requirements and Restrictions: Criminal History and Credit Reports**

Operational Impact

These policies guide the District's operation and protect the rights of employees and students. Careful consideration should be given to each policy.

Results

Over the next several weeks, a first and second reading of the policies will be held. Policies will be adopted at the second reading.
