

FV 2025-2026 Site Council Agenda

Date: October 2, 2025

Site Members: Kaci Zaklan, Hilary Botti, Krissy Cartwright, Morgan Reed, Hailey Geurin, Jessica Faulkenhagen, Megan Parker, Dani Straw, Shelby Smith, Brooke Noble, Lauren Ammer

School Size: 233

School Safety:

- FEMA meetings are moving forward with the upgrade plans for the school and insurance coverage.
- Staff member had a medical emergency, She stated everything went smooth. Everything goes on hold so no student has to witness event.
- Had a lock down drill this week and that also went smoothly.

Title I:

- Back to School Title 1 night T-shirt sales went great and an order will be placed soon from the flash sale.
- IXL was purchased with Title I money
- Working on new plans for 20% data meetings to keep sub costs down
- We are coming up on 20% data meeting check in. Will meet with each grade level for 1 hr in the day. Review small group progress and progress monitoring.

Parent Involvement

- Kaci was directed to a gentleman who is donating a shed. Once talking to him, He informed her that the labor is donated but the material need to be paid for. She is wanting to put out a wish list to see if people will be more willing to donate materials and also ask a hardware store.
- Not a large update for Playground. However, headway was made with writing a grant to help move playground renovation forward. She submitted a grant to the Rotary club for \$7000.00 to cover the cost of installation and freight fees for the net structure. In order to better format our grant. It will be presented as a "Capital campaign".
- Spirit Wear flash sale ends on October 8th. We are 26 items away from meeting our requirement. PTO will also make a large bulk order. SO get those orders in while you can.
- Coin drive Update: Last year, we raised \$1356.00 total. This year, we reached \$2,500.00! To celebrate reaching our fundraising goal, a Snow cone party for the whole school will be on Tuesday after lunch. We just need to order snow cone cups. Whoever wins the scooter race wins a popcorn party for their class. The class that won the coin drive gets a pizza party.

- Morgan is suggesting we keep the same theme for a few years to save. Kaci suggested should look into making the coin drive Noble Theme to then use that every year.
- Business Banners: We have one new one. Krissy is volunteering to call the businesses to see about renewing their banners. Needing to re-print the tree removal banner. The company that came and volunteered their time during the flood was hoping for a discount to hang their banner. We are wanting to create a banner to thank all the smaller companies and business that donated their time that would be updated yearly.
- Trunk or Treat is October 30th
- Winter mug swap for students to participate in the week leading into Christmas Break during Winter Fest.

Instruction

- All elementary professional development day Friday, Oct. 3rd (CKLA review)
- CKLA is going well grade level teams meet weekly with Ms. Falkenhagen
- 20% Data meetings coming soon
- Friday PD will be with Aly Berg - review of math scope and sequence

Culture

- Students are loving their new lanyards and are wanting to earn pins.
- PTO passed out pins for the coin drive winners.
- The culture committee has started their Culture playbook with four chapters. The first being core values, student culture, staff culture, and finally parent/community culture.
