emergency replacement, construction, or repair is necessary for the health and safety of district students and staff. The superintendent must report to the board any contracts made under the delegated authority at the next regular meeting.

The recommended text also clarifies that the delegation *does not* permit the superintendent to act under Education Code 44.031(h) to make purchases without following normal competitive purchasing requirements; the board must take action to waive any Chapter 44 provisions in accordance with law.

**The recommended delegation provision is optional. Please carefully review the new text to ensure it aligns with the district's practices and contact the district's policy consultant if your district does not wish to add this provision or has other revisions.**

TASB Legal Services' eSource article *Emergency Management for Texas Public Schools* provides additional information on purchasing in emergency situations.

#### **DEC(LOCAL) COMPENSATION AND BENEFITS: LEAVES AND ABSENCES**

The events of the past year have highlighted the need for additional flexibility regarding administration of leave. TASB Policy, Legal, and HR Services collaborated on the recommended revisions to this policy, which remove administrative details not required to be in board policy and that may be more appropriately addressed elsewhere, such as in the employee handbook.

To support the removal of these administrative details, a new paragraph directs the superintendent to develop administrative regulations to implement the policy. [Remember that BJA(LOCAL) permits the superintendent to delegate this responsibility as appropriate.] In addition, TASB HR Services has:

- Created a corresponding Framework for Developing Leaves and Absences Procedures, with prompts and placeholders for administrative decisions; and
- Revised the 2021–22 *Model Employee Handbook* to address administrative provisions removed from the policy.

Other changes include:

- Adding a definition of *school year* that aligns with terminology in the TASB sample contracts and that provides context for references to the term elsewhere in the policy.
