Principal's General Narrative:

September went by in a flash and here comes October. Looking forward to some Fall weather and activities such as the Fall Festival. I am the chairperson for the festival and look forward in creating a fun filled event for our students and families. Our first Six Weeks is coming to an end Oct. 3rd. Students are working hard finishing up grades and making sure all assignments are in. Our students are representing our school very well through football, volleyball, cross country and band. Looking forward to getting UIL started up so our students can represent us academically as well. Mr. Weisinger, from South Texas Rural Health, has begun to come visit with our students. He is a great asset to our school and we are very grateful to have him come. I look forward to a GREAT month of October.

Respectfully,

Christy Price
