

# Action Sheet

**MEETING DATE:** September 18, 2024

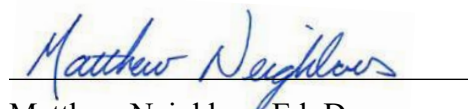

**AGENDA ITEM:** Discuss and consider approval for contracted services for professional development from Region 4 Education Service Center (ESC) for an amount not to exceed \$100,000.

Galveston ISD Administration seeks to support the professional development of staff utilizing the Texas Instructional Leadership model and the Effective Schools Framework. Texas Instructional Leadership is a program delivered through the Service Center which provides training and support to campus and district leaders on their ability to build the capacity of educators that they manage. It consists of a suite of trainings intended to foster continuous improvement by helping campus and district administrators grow concrete instructional leadership skills in the areas of observation and feedback, schoolwide culture routines, and data-driven instruction. The Texas Education Agency (TEA) has codified all researched best practices into one common framework (Effective Schools Framework) that should be used by district and campus leaders to improve system effectiveness and student outcomes.

Region 4 Education Service Center is an approved Texas Education Agency school improvement provider focused on strengthening Instructional Leadership Skills.

The professional development will be funded through the Effective Schools Framework (ESF) Focused Support Grant.

**RECOMMENDATION:** I move that the Board of Trustees approve the contracted services for professional development requested from Region 4 ESC for an amount not to exceed \$100,000.
