This is in response to your FOIA request sent August 3, 2020 for Certified Payroll Records for the vendor Detection Security. We do not have payroll records for Detection Security.

Subject: FOIA request

Dear Mr. Bauer,

Under the Freedom of Information Act, 5 U.S. C. subsection 552, I am requesting access to Certified Payroll Records for a contractor named Detection Security Co. It appears this contractor has performed work in the District for the year ending June 30, 2018 and 2019.

If there are any fees for searching or copying these records, please let me know before you work on my request. An electronic option would be ideal. Thank you for your time.

Sincerely,

JD Miller
