Background Information

MSBA members are encouraged to propose resolutions to the Delegate Assembly for the upcoming legislative session. These resolutions are the first step to developing the MSBA's official positions on important educational issues.

Each resolution is researched and voted on by the membership at the Delegate Assembly. Once adopted, these positions guide the MSBA Government Relations team as they represent you at the Legislature. Resolutions should cover any education topic of significant statewide concern and address desired legislative outcomes. Resolutions are not legislation.

The board will discuss items they wish to place on the 2024 Legislation Resolution and bring it to a future board meeting.

Some of these items may include the following:

- School Mascot
- MCA Tests vs Fastbridge Test
- Compensatory Funding
- Unfunded Mandates
- Earn Safe & Sick Time
