Subject: New Policy- 8250 Sensitive Materials - Second Reading

Policy 8250 Sensitive Materials is a new policy that defines sensitive materials as required by law. This policy was created as a stand-alone policy to address sensitive material in the school setting. This policy outlines the prohibitions of sensitive material in the school setting and outlines the process that will be followed to initiate a sensitive materials review. There has been no feedback on this policy since the first reading. This policy has been requested by the Legal Department. We are seeking Board approval of this policy on a second read.
