

Gilbert Intermediate

What Kind of Jacket Will You Be?

- Extra Professional Development opportunities for ELA and Math teachers.
- The master schedule for 5th grade ELAR includes a double 50-minute block. ELAR teachers will teach the required Reading/Writing and Social Studies curriculums within this block.
- With the addition of Blended Learning, the tutorial period SWARM will provide Math support to 5th grade students through a 1:1 station, an adaptive learning software station and an independent practice station.
- This year we have expanded our Blended Learning instructional approach to 6th grade. Math and English Language Arts are part of the grant focus. However, Science is also implementing strategies. Social Studies and Bilingual teachers are supporting these strategies in their classes as well as through SWARM periods.
- Addition of one part time inclusion teacher and one aide for students who receive special education services.
- Periodic School Guardian meetings. Involvement in Emergency Drills.
- Capturing Kids Hearts principal cohort. This cohort keeps Gilbert in contact with other CKH schools. We share what is working and what is not as far as school culture.
