Re: 2013 Bond Quarterly Dashboard Report

I would like to request adding an agenda item to the May 22, 2017, Committee of the Whole meeting, for Plante Moran CRESA to report out to the Board the Quarterly Dashboard Report for the 2013 bond projects (through March 30, 2017). This will be Plante Moran CRESA's general report for the first quarter of 2017.

Thank you.
