

**6. MONITORING REPORT – AI Committee and Instructional Integration**

**A. SUBJECT**

This item is included on the agenda so the Board of Education can be updated on the efforts around District 200's AI Committee and AI Instructional Integration.

**B. INFORMATION**

Justin Smith, Assistant Superintendent for Middle and High School Education, will provide the Board of Education with an update on the work of the AI Committee. Teachers Elon Shaffer (WHS) and Kelly Healless (NMS) will share how they are integrating AI into their classroom instruction.

This is an informational report only. No formal Board action is required.
