Academic Success

The Eden Prairie School District is committed to the academic success of all students. We know you have entrusted your student’s education to us, and we promise to work diligently to educate each child in a safe, caring, and engaging environment.

HOMEWORK:

Homework, when connected to learning targets, goals and objectives to what students are currently learning in class, is an important part of your child’s education. Homework assignments are not included in a student’s achievement grade but are considered opportunities for students to do independent practice, review and apply knowledge. Homework enhances a student’s ability to reach a level of expected proficiency for knowledge and skill acquisition appropriate to the student’s instructional level.

Guidelines on the amount of independent practice done at home will vary from grade to grade and subject to subject. The amount of daily homework/independent practice varies from 10 minutes (Kindergarten) to 50 minutes (fifth grade).

The following are suggested for homework:

- Kindergarten 10-15 minutes
- Grades 1 and 2 10-25 minutes
- Grades 3 and 4 20-30 minutes
- Grades 5 30-50 minutes

Daily Reading: Literacy is the foundation of all student achievement. All students should also spend at least 15-30 minutes each day reading.

Unfinished In-Class Assignments: There may be times when a student does not complete a portion of an in-class assignment or project. When that occurs students may need to complete the assignment at home in order to stay on track with the next day's content and learning objectives.

Eagles Homework Help and Tutoring Program

Eagles Homework Help & Tutoring is a free program coordinated by Community Education in which vetted community volunteers provide support to students needing additional academic help. More information is available at www.edenpr.org/tutoring.

FAMILY INVOLVEMENT:

Learning at Home: Research supports that families are the earliest and ~~eliminate the word 'the'~~ most significant teachers in a child's life. A child's value of education and lifelong learning is also impacted by teachers, caregivers, and outside influences. Families know their child best and can 1.) Help foster learning by linking current and past experiences, 2.) Ask questions that help the child reflect, and 3.) Support the child's growing knowledge of self and what works best for him or her. More information about how families can take an active role in their students' education can be found at www.edenpr.org.

STUDENT SUPPORT SERVICES

Multilingual English Learners

English Language Services: Specialized English language instruction is available at each school to support Speaking, Listening, Reading and Writing for multilingual English Learners. Students are served both in their core classes and in supplemental instruction, depending on each student's linguistic needs. In addition to specialized services, enrichment occurs within the classroom through teacher differentiation of curriculum and instruction for our multilingual learners.

Psychologist

Each elementary school has a school psychologist. Our school psychologist is involved with children, families, and school teams to support students and their educational programming needs.

Intervention Teachers

These specialists support students with high-quality instruction in foundational skill development in the areas of reading and/or math. [Students eligible for services are identified by multiple data points over the course of the year, and families will be notified before service begins.](#)

Social Workers

Each elementary school has a school social worker whose role is to support the social-emotional learning and growth of children. The school social worker works with families, teachers, and other staff to support student needs related to social-emotional, behavioral, and academic progress. Social Workers also support connections between families and outside agencies for mental health-related needs.

Our community has a committed and compassionate group of service providers and nonprofits ready and willing to support families with a variety of needs. Community Education's Family Resources Program maintains a database of local programs and services and connects Eden Prairie families to resources in the community. The program is supported by staff who speak English, Spanish and Somali. Learn more at www.edenpr.org/familyresources.

Special Education

Special Education services are available to any student eligible for specific disability services as defined by state and federal law. Disability areas include speech/language, emotional behavioral disorders, other health disabilities, physically impaired, traumatic brain injury, visually impaired, deaf/hard of hearing, specific learning disabilities, autism spectrum disorder, visually impaired, cognitive disabilities, and severely mentally impaired.

- A student may also be eligible for services because of a specific developmental delay through age seven.
- Students may be referred for a Special Education assessment by parents or teachers.
- Parents will be involved in a review of the evaluation and the decisions regarding eligibility and services.
- Services are described through the development of an Individual Education Program Plan (IEP). Students are served in accordance with district, state, and federal guidelines.

Housing Insecurity and Homelessness Support

Under the federal McKinney-Vento Act, students experiencing housing insecurity and homelessness have certain educational rights and resources to ensure continued access to school. Learn more at www.edenpr.org/community-education/community/family-resource-program/mckinny-vento-housing-instability

PERSONALIZED LEARNING

Assessments

The Eden Prairie Assessment System fosters the careful selection of the right assessment at the right time in a tiered decision-making process to improve learning and achievement for each student. District-wide, assessments are used to evaluate curriculum and instructional effectiveness. Individually, the assessments are used to evaluate each student's progress towards the achievement of benchmarks and standards. Assessment results are shared with parents through various means including at conferences.

- **FAST (FastBridge Learning)** assessments are administered to K-5 grade students in the fall, winter and spring.
- **MCA-III (Minnesota Comprehensive Assessment)** in Math and Reading are given to all 3-5 grade students in the spring. The Science MCA is given to fifth grade students in the spring.
- **CogAt 7** assessments will be administered to all students in grades two and four in February. Information from assessment is used as part of the identification process for Key and Mosaic Programming.
- Other assessments may be administered to some students at various times of the year in order to monitor progress.

Gift and Talent Development Services

Eden Prairie Schools have 4 Levels of Service in the elementary grades:

Level 1 - Enrichment for All

All students receive enrichment learning opportunities within the classroom through differentiation of curriculum and instruction by the classroom teacher.

Level 2 - Young Scholars and Content-Specific Enrichment Groups

Young Scholars is a pull-out program designed to develop the gifts and talents of students based on the need for access to resources and experiences, affirmation of their potential in both self-confidence and academic success, and advocacy to further develop their potential. Content-Specific Enrichment Groups are designed to develop gifts and talents of students in regards to specific subject areas. Both of these programs are taught by our GT Specialist teachers who have a propensity and passion for Gifted and Talented Education.

Level Three - Key - Pull Out Program Integrated into School Day

Key is a program for gifted and talented students in second through fifth grade. Key students engage in rigorous enrichment lessons that focus on elements of depth and complexity, critical thinking skills and advanced topics. Parents or teachers may recommend a child for the Key program. Students who are recommended are assessed using multiple measures of both ability and achievement. A district team then reviews and evaluates the data to determine if criteria is met for programming. The Key Program is taught by our GT Specialist teachers who have a propensity and passion for Gifted and Talented Education. Students in the Key program still receive enrichment opportunities within the classroom through differentiation of curriculum and instruction by the classroom teacher. The Key program is different from the Mosaic program.

Level Four: Mosaic - Full Day Program for Highly Gifted Learners

Mosaic is a full-day self-contained classroom program for highly gifted students; with classes at Eden Lake Elementary and Prairie View Elementary. This program provides a challenging curriculum at an accelerated pace while meeting the unique academic and social/emotional needs of highly gifted learners in a supportive educational environment. Our Mosaic classes serve students in third through fifth grades that meet district criteria for programming. There is an application process and a search process as well as criteria for entrance into the Mosaic program. The district also has an acceleration policy for core subjects in rare instances where subject or grade acceleration best meets the student's educational needs.

Curriculum Content Review

General information about the district elementary curriculum can be found at <https://www.edenpr.org/academics/curriculum>. The district has specified the following procedure for a parent, guardian, or adult student (18 years or older) to further review the content of curricular materials, address concerns, and propose alternative instruction for an individual student. There are three potential action steps, beginning with an informal meeting of the adult and the educator(s) responsible for delivering the curriculum in question. If the concern is not resolved, it will be taken to the building principal. If resolution cannot be reached. There, the building principal will notify the district Personalized Learning Department of the concern, and a meeting will be convened involving the

parent/guardian/adult student, the site principal, and the appropriate district representatives to discuss the matter further and work to determine a course of action.

Communications

Alerts

The district has the ability to call and email all district families. In order to help ensure that you receive these important messages, please go to www.edenpr.org and make sure that we have the correct email address and phone numbers for us to use.

Updating Family Contact Information: You can update your email address and cell phone number yourself by logging into the parent portal and click on "Family Members." Make the necessary changes and click "Update" in each cell that you change. If you have moved or changed your primary home phone number, please contact your students' schools to have that information updated in the system. Contact us with questions at (952) 975-7094 or helpline@edenpr.org.

Families can also receive time-sensitive notifications, such as school closures and weather-related information via the [district mobile app](#). The app is free and available for Apple, Android or Windows devices.

Publications

Families with students attending Eden Prairie Schools receive print and electronic publications from the district.

District Communications: To ensure you're receiving electronic communication from the district and your school, log onto the district website, www.edenpr.org. You can update your email address and cell phone number yourself by logging into the parent portal and clicking on "Family Members." Make the necessary changes and click "Update" in each cell that you change. If you have moved or changed your primary home phone number, please contact your students' schools to have that information updated in the system.

School Communications

Each school uses electronic communication. Communication includes news on upcoming events, school expectations, and reminders. Classroom teachers also keep parents informed with electronic communication through the Campus Parent Portal Schoology, and e-mail. This information is also posted on your school website and can be obtained through requested hard copy.

School Information

Elementary school students frequently bring home information from the classroom and the office for parents/guardians to review. Please watch for this information in your child's backpack or via electronic communication.

Contacting Your Child

Call the main office at your child's school if you need to contact your child during the school day. It is important that you contact your child's school before 2 p.m. if there are changes to your child's after-school routine that affects their mode of transportation. Arrangements for transportation, visiting or going home with another child, or other social reasons should be arranged before the child leaves home in the morning. We cannot guarantee teachers will see emails or receive voicemails regarding end-of-the-day routines; for this reason, we do not recommend contacting the teacher during the school day as they may not read or hear the message in time. Students are not permitted to use cell phones during the day.

Student Telephone Use

Parents should not contact their children via text, email, personal calls, etc. during the school day. [Students are not permitted to use cell phones during the day. If a student wishes to contact a parent, they can use a phone in their classroom or the office.](#)

Registering Your Child

If your child attended an Eden Prairie School last year, they will automatically be registered for the current school year and you will receive information from your child's teacher prior to the beginning of the school year. Preschool children who are listed on census information will automatically be sent kindergarten registration information. Census information forms are sent out each year via the district office.

New Families: If you are new in the area, please contact our District ~~Central Registration Office~~ [Welcome Center](#) for registration materials. You may either pick up the forms at the Administrative Services Center or call 952-975-7008 and have them mailed to you.

Steps to Follow if you have questions or concerns

Throughout the school year, situations at your elementary school may bring about questions or concerns for students or families. The process described below is structured to promote resolving situations quickly to the satisfaction of all parties involved. This process also encourages those people closest to the situation to examine and develop solutions to concerns. A positive resolution of these situations enhances communication, builds trust between members of the school community, and benefits the educational program for the students.

Please follow the steps below if you have a question or concern:

- **Step 1 – Contact the appropriate staff member:** The first step in resolving a concern is to discuss it with the staff member(s) most closely involved. Most likely this is your child’s classroom teacher. More than 95 percent of all questions or concerns are resolved at this level.
- **Step 2 – Contact the principal:** If your question or concern remains unresolved, contact the building principal. Building principals are the instructional leaders in charge of the school and the person responsible for handling questions or concerns regarding the school’s operation. The principal can share school information and explain procedures, guidelines, and policies. They are available to listen and support your child and family.
- **Step 3 – Contact the appropriate district administrator:** If the previous steps have been unsuccessful, contact the appropriate district administrator or the Associate Superintendent. We sincerely hope that we can work together to solve problems as they arise. Please know we believe clear, open, honest, and two-way communication is the key to promoting positive home-school connections

Weather-Related Closing

Distance Learning days may only be used for instances where inclement weather prevents students from attending school on-campus; may be counted as an instructional day, included as hours of instruction, and for up to a maximum of 5 days in one school year.

District families will be notified of any school closures through the emergency phone system and district emails. If you don’t see or hear any announcement, assume that school will be in session.

Additional Resources:

- Website: www.edenpr.org
- Radio: WCCO radio (830 AM)
- Phone: (952) 975-7000
- TV Channels: 4, 5, 9, and 11

Emergency School Closing Forms will be completed by all families at the beginning of the school year, so if school is dismissed early students will have a backup plan in place. Students may not remain at school since staff will also face hazardous travel home. If schools dismiss early, the building will be closed for after-school and evening activities (such as sports, scouts, PTO meetings, and community education classes). If your child goes to an after-school program at a location other than school, please check with them regarding their closing policy.

Website

Our district website, www.edenpr.org, allows you to stay in closer contact with Eden Prairie Schools – click the “Schools” menu to find the website for your school. Information available online includes general information, teacher web pages, supply lists, calendar, lunch menus, newsletters, parent involvement, etc.

Conferences

Eden Prairie Schools recognizes the importance of families and teachers working together. Families and teachers communicate and build relationships at conferences. There are two reporting conferences during the school year.

Please come prepared with any questions you have regarding your child’s education and social adjustment. This is also an opportunity to meet with art, music, physical education, world language, specialists, or special services teachers.

End of Semester Report Cards:

End of semester report cards will be available online by logging onto the district website, www.edenpr.org, with your username and password.

- If you need assistance with your username or password, contact the website helpline at helpline@edenpr.org or (952) 975-7094. The timeline for grading and reporting will be posted on the district’s website; school officials will inform families when report cards are ready to view.

Safe and Supportive Schools

Student Behavior: Expectations of Adults and Students

Safe and Supportive Schools

Eden Prairie Schools believes each student, regardless of age, race, gender, ability level, religious beliefs, national origin, sexual orientation (actual or perceived), or physical attributes, deserves the right to be educated in an environment that does not interfere with their educational opportunities or ability to participate in school functions or activities or receive school benefits, services, or privileges.

According to the Minnesota Safe and Supportive Schools Act, bullying means any intimidating, threatening, abusive, or harming conduct that is objectively offensive in nature. Furthermore, there is an actual or perceived imbalance of power between the student engaging in prohibited conduct and the target of the behavior, and the conduct is **repeated or forms a pattern**. The act of cyber-bullying, which refers to bullying others by using technology or other electronic devices, or retaliation for asserting, alleging, reporting, or providing information about bullying or knowingly making a false report about bullying in any form are prohibited as well. Acts of bullying towards another student or groups of students will not be tolerated and will be dealt with in a swift and serious manner. **Bullying does not refer to a one-time argument or disagreement between students.**

Our intent is to create and maintain a safe and welcoming environment by taking a proactive rather than reactive approach. To prevent or stop bullying or cyberbullying behaviors, we will provide ongoing training around anti-bullying techniques and strategies for all staff and students.

If bullying occurs on any district property (i.e. school building, school grounds, bus stop, walking route to and from school, school bus, school related vehicles) or at any school-related function, school-sponsored activity, event, or trip, the incident should be reported to the building’s designated primary contact person (principal, associate principal, or social worker) who will begin an investigation as soon as possible. If bullying/cyber-bullying takes place off of school

property and impacts the educational process, it should be reported to the school. In the event an act of cyber-bullying has occurred the same protocol will be followed. Cyber-bullying may take place on or off school property.

Expectations of Adults and Students

Teachers and school personnel seek to co-create a positive learning environment with students in classrooms, and as a school community. This includes building trusting relationships with each student by getting to know individual strengths, interests, and culture. Schools will foster a learning environment that values multiple perspectives and articulates how our differences make us stronger.

Behavioral expectations specific to all areas of school, for example, classrooms, hallways, bathrooms, lunchroom, playground, and school buses, are taught at the beginning of the school year. Behavior expectations are re-taught and positively reinforced throughout the year to promote a safe, welcoming, and engaging learning environment for each child.

If students demonstrate inappropriate behavior at school, an adult will seek to understand what happened, support the child in reflecting on their behavior, and provide opportunities for restoring relationships, as applicable. In addition, specific consequences may be applied; parents may be contacted, depending on the nature of the behavior, frequency of the behavior, and severity of the specific incident.

Adults will:

1. Create a balanced approach for all learning.
2. Create a climate for learning that includes:
 - Providing opportunities for students to explore and construct their learning through student choices, practice, trial, error and reworking
 - Knowing the students culturally, and individually, by being fully cognizant of their individual strengths and interests
 - Co-creating classroom rituals that maximize learning bell-to-bell
 - Creating a climate that respects difference and allows for multiple perspectives without hurting others
 - Fostering opportunities for students to take responsibility for academic, social, and emotional expectations in monitoring their self-control
 - Responding to unexpected behaviors in restorative ways that support accountability and healing to rebuild the learning community

Students will:

1. Participate fully in the learning experience, including curricular, co-curricular and extracurricular activities, from the moment he/she is on the bus until s/he is returned home, at all district activities and events.
2. Participate actively in the learning experience by being fully engaged, fully prepared, raising engaging questions, and effectively and positively communicating with all students and staff.

3. Participate actively in the learning experience by sharing information about themselves—strengths, weakness, and culture to create common bonds in curricular, co-curricular and extracurricular activities.
4. Participate actively in the learning experience by respecting differences while asserting perhaps a divergent viewpoint, doing so without harm to the other students, staff, team, other leader, and property.
5. Demonstrate empathy (knowing others) to build fruitful relationships that create a cohesive learning opportunity for all and through self-control behave in an ethical manner from the moment he/she is on the bus until s/he is returned home.

If a student is unable to demonstrate how to be Safe, Responsible, and Kind and disrupts the learning for other students, adults may:

- Redirect and re-instruct to ensure that student fully understands the expectations
- Work in partnership with family, students, staff and other significant adults to restoratively determine additional strategies and/or consequences
- Refer to peer mediation, conflict resolution or other restorative processes
- Consider removal from class, possibly through suspension or expulsion

Severe Behavior

The Eden Prairie Schools' student management program is based on the foundation that students have a right to be educated in a safe and supportive learning environment. Teachers or adults in authority have the responsibility to require appropriate behaviors of all students so they can deliver instruction effectively. Behaviors which are considered "severe" will be met with a stricter set of consequences, depending on the severity of the behavior, the frequency of the occurrence, and the student's age. Severe behavior incidents include, but is not limited to:

- Fighting/assault/or causing physical harm to another
- Use/possession of controlled substances including tobacco
- Written or verbal threats
- Property damage
- Stealing
- Possession of a weapon or toy replica weapons
- Harassment of another individual, including hazing, sexual or racial harassment, or verbal abuse
- Attempting to access inappropriate websites when working on the computer
- Other behaviors that cause excessive disturbance to the school day

These behaviors are subject to one or more of the following consequences:

- Parent phone call and conference
- In-school or out-of-school suspension
- Restitution
- Referral to Eden Prairie Police Department
- Referral to outside agencies
- Recommendation for expulsion

The Pupil Fair Dismissal Act (Statutes 121A.40-121A.56) will be followed with reference to any out-of-school suspension.

Eagle Zone School-Age Care (offered through Community Education)

All elementary schools offer Eagle Zone before-school from 6:30 a.m. to the start of the school day, and after-school until 6:00 p.m. Eagle Zone provides a safe out-of-school time environment for students, with planned activities that support social, emotional, and academic development. Before and after school, Eagle Zone helps promote physical health, and positive youth development in a structured environment. On most non-school days, a full day of programming is available from 6:30 a.m. to 6:00 p.m. with the program offering field trips on most days. For more information, visit edenpr.org/eaglezone.

Dress Code

Appropriate dress is a necessary component in providing an optimal learning environment. Students may not wear clothing that presents inappropriate language (as determined by each classroom teacher or administrator), drug or

alcohol advertising, or ethnic, racial, or sexist put-downs. Types and amounts of clothing worn should be appropriate for weather forecasts. ~~It is encouraged that hats, caps, and hoods be removed inside the building.~~ Students ~~need to~~ **should** wear boots when there is snow or ice. Sweaters, jackets, snow pants, boots, hats, and mittens should be labeled with the student's name. Gym shoes are required for safety when participating in physical education activities. **If your child needs supplies of this nature, please contact your school principal or school social worker.**

Electronic Devices

All students are provided iPads as learning tools for all grade levels, K - 6. Your child's teacher will communicate with you regarding specific classroom procedures and expectations. **This device belongs to the district and expectations of use will be taught each year.** Filtered and monitored internet access is provided when the student connects to our wireless network. If students bring a personal mobile device to school, the school is not responsible for loss, damage, or theft.

Students using personal electronic equipment during the day without teacher permission may lose possession of the item, and parents may be asked to pick the item up in the school office. Personal electronic devices such as laser pointers, electronic games and devices, are not allowed at school.

Field Trips

Field trips are designated for each grade level. Permission slips and information will be sent home prior to the trip. The permission slip and payment (if any) should be returned to your child's classroom teacher as soon as possible. No student will be permitted to go on a field trip without a signed permission slip. No child will be denied the opportunity to go on a field trip because of its cost. If your child needs financial assistance in order to participate in a field trip or other school activity, please contact your school principal or school social worker.

Volunteer chaperones are often needed to make field trips a successful experience. All chaperones must complete the Sharing Inspiration Volunteer Program process prior to attending. This process should be completed at least two weeks prior to the date of the field trip. Learn more at www.edenpr.org/volunteer

Lockers

Students are advised to leave valuables at home. Lockers in elementary school are not secure and do not ensure the safety of valuable items. The school district is not responsible for reimbursements to families if personal property is stolen. Items left in lockers at the end of the school year will be donated to charity. School lockers and student desks are the property of the school district and may be searched by school authorities. More information can be found under the Search Policy heading in the back of this handbook.

Lost and Found

Labeling your child's personal items increases the chance that lost personal items will be returned. Please label all items of clothing. Students always have access to the lost and found area at their school. Parents are encouraged to look through the lost and found items on conference days and times they visit the school. If you do not find a lost item,

please ask in the office. Unclaimed items will be donated to charity at various times throughout the year with advance notice to families through school communications.

Lunch and Breakfast

In a regular year of meal service the following is our practice:

Lunch Pins

Each student is assigned an account with a personal identification number (PIN) at the beginning of the school year. Lunches will be ~~paid and~~ recorded by a student entering the PIN number on a keypad at the end of the serving line and saying their first and last name to the cashier. ~~Although lunches are free,~~ families must pay for ~~meals and~~ ala carte purchases, additional items, or “MegaBites” in advance by sending a check to school payable to Eden Prairie Schools. Please print your child’s name and PIN number on the check. Families may also add funds to their child’s account through the online [Parent Portal](#). You will be notified by email when the account balance runs low. Money remaining in a student’s account at the end of the year will be transferred to the next year’s account, even if they are moving on to a different Eden Prairie School.

Online Payments: Parents can also go to the Food Service webpage on the district website, www.edenpr.org to make online payments with Infinite Campus (access via the parent portal?) and review history and meal account balance. This is a secure, fast, and friendly online way for parents and guardians to manage their children’s school food service account.

Students are assigned a PIN that they use for the entire time that they are attending Eden Prairie Schools. It will also be used for their iPad password.

Checks should be made payable to Eden Prairie School District.

Parents can check balances and see purchases through their parent portal (see link above) You can also set up recurring payments for your children's food service accounts.

Parental/Sibling Visits During Lunch

Families are welcome to join their children during their assigned lunch period and do not need to notify the school in advance. Families are encouraged to use their child's PIN number to pay for their meal in the lunchroom. ~~Each of the elementary lunchrooms have designated Visitor Tables for families to eat with their child(ren).~~

Birthdays and Parties Outside of School

- **Party Invitations:** Birthday party invitations for personal parties should not be distributed at school. By adhering to this policy, we alleviate hurt feelings and friendship dilemmas. Please handle the distribution of invitations outside of the school environment. The school directory may be helpful in this process.
- **Classroom Treats:** In light of our district Wellness Policy, students should not bring birthday treats or gifts of any kind. The district Wellness Policy is linked here with more information. Wellness Committee page> Wellness Summary document located, <https://www.edenpr.org/experience/departments/child-nutrition>
- **Acknowledging Birthdays:** Our classroom teachers may acknowledge and celebrate the birthdays of their homeroom students.

Recess/Playground

Students have approximately 20 minutes outside for recess as weather permits. It is important that children wear appropriate outdoor clothing throughout the school year, including boots, mittens, gloves, jackets, snow pants, and hats. All playgrounds are adult supervised and have the necessary equipment needed for recess activities. Students should not bring their personal equipment (balls, bats, footballs, frisbees, etc.) from home.

Families in need of outdoor clothing are invited to contact the social worker at their child's school. The Eden Prairie service organization, People Reaching Other People (PROP), provides us with warm clothing for children in need. Should there be a request for a child to stay indoors, a doctor's request / permission must be provided and should state how long the restriction is to remain in effect.

Playground Behavior

Behavioral expectations specific to the playground are taught at the beginning of the school year. Expectations are re-taught/reinforced as the year progresses to promote a safe, welcoming, and fun playground experience for each child.

- **Behavior Expectations:** If students demonstrate inappropriate behavior on the playground, an adult will seek to understand what happened, support the child in reflecting on their behavior, and provide opportunities for restoring relationships, as applicable. In addition, specific consequences may be applied; depending on the nature of the behavior and severity of the specific incident, parents may be contacted.

- **Weather:** The school uses weather and additional safety information when making decisions regarding indoor recess. The following weather conditions may necessitate students to remain inside for recess with alternative recreation provided: rain, temperatures below -10 degrees, or a windchill of -10 degrees

iLearn@EP

The mission of Eden Prairie Schools is “To inspire each student to learn continuously so they are empowered to reach personal fulfillment and contribute purposefully to our ever-changing world.” Our world is changing, with a new generation who never knew life without electronic devices. Technology is a major tool in our personal lives as well as many professions. Our students will be prepared to demonstrate digital responsibility, technological awareness, and the ability to use technology to create, research, communicate and produce in the academic and professional setting. iLearn@EP is about creating engaging curriculum, dynamic learning environments, and students who are better prepared for the world beyond our school doors. It is not about the device, but rather how to use the device as a tool in learning.

Eden Prairie Schools Expectations for Student Learning

- Engaging and relevant learning experiences and development of life skills
- Learning experiences that encourage cooperation, collaboration, and innovation
- Use current technology to create, research, communicate, and produce academically sound products
- Demonstrate respect, self-control, ethical behavior, and empathy as classmates and members of our communities
- Being responsible citizens in our schools and communities, as well as the digital world

Responsible Citizenship

Being a responsible citizen in our schools, communities, and the digital world requires responsibilities adapted for a changing world. We embrace the following conditions of being a digital citizen:

Information Regarding the iPad in Eden Prairie Schools

iPad General Precautions

- Students should come to school each day with a charged iPad.
- The iPad is Eden Prairie Schools' property.
- The iPad must remain free of any writing, drawing, stickers, or labels that are not issued and placed onto the device by EPS staff.
- Cords and cables must be inserted carefully into the iPad to prevent damage.

- Never expose an iPad to extreme temperatures, direct sunlight, or prolonged periods of time in rooms that are not at a normal room temperature.
- iPads must be kept in a secure location at all times; it is the student's responsibility to know where their iPad is at all times. For students taking devices home, Do NOT leave unsupervised, or lend to friends or family members outside of your home. During times when the iPad is not needed, place the iPad in a secure location within the classroom.

iPad Cases

Acknowledging the importance of a protective case for the iPad, Eden Prairie Schools invested in purchasing protective cases for all of the iPads. iPads need to be in the EPS issued protective case.

- The iPad should ALWAYS be in its protective case.
- For students taking devices home, the iPad should be charged (EPS provides a charger) and brought to school ready to use each day.
- Do NOT place your iPad in a book bag that contains food, liquids, heavy or sharp objects.

iPad Screen & Cleaning

The screens are sensitive to pressure and therefore can be damaged; they are scratch resistant, not scratch proof.

- The screens are made of glass and can either break or shatter.
- Do NOT use liquids to clean the iPad. This includes, but is not limited to: window cleaners, household cleaners, aerosol sprays, solvents, alcohol, ammonia, or abrasives.
- PLEASE USE: A soft, dry cloth or anti-static cloth.

iPad Care

- Only labels or stickers approved and placed onto the iPad by EPS staff are acceptable.
- Never leave an iPad unattended. It is your responsibility to keep your iPad stored in a safe, secure, temperature appropriate space.
- Do NOT dismantle or attempt to repair the internal workings of the iPad or the iPad case. If your iPad is not working, take your iPad to the Media Center as soon as possible and have an EPS technology support specialist examine it. If your iPad needs to be worked on for an extended period of time, you will be issued a temporary iPad until yours is working properly.

Earphones

Eden Prairie Schools did not purchase earphones; earphones are requested as part of the K-5 Elementary Supply List.

- Earphones shall not be used within or on school property unless a teacher specifically requests or allows students to do so.
- If allowed to use earphones, the appropriate level is when only the person wearing the earphones can hear the sound.

Storing Documents

There will be limited storage on the device and academic files take priority over personal. Several backup options exist to cloud storage or personal computers. Students should backup their files.

Applications and Content

Students, with the support and permission of parents, may install apps or other content having an educational purpose on their iPad. Applications or content that does not have an educational purpose and is disruptive to the educational process or at home will be removed from the device. Students may only install apps provided to them through Self-Service on their iPad. If an app is needed which is not available in Self-Service, students should work with their teacher to request it be added. Additional content used should have an educational purpose. Content which

does not have an educational purpose and is disruptive to the educational process will be blocked or removed from the device.

Student Discipline

If a student violates any part of the above policy, he/she will be subject to disciplinary action. The disciplinary action for a violation will range from the student needing to check his or her iPad in and out of school each day for a period of time to having all iPad privileges revoked.

In instances where the student has put his/her own safety or the safety of others at risk (i.e. bullying), iPad privileges will be revoked immediately.

iPad Statement of Responsibility for Parent/Guardian and Student

We understand that there are instances of damage, destruction, or loss of the assigned iPad. These instances will be dealt with on a case-by case basis. Incidents of gross negligence or repeated incidents may result in financial restitution or a student may be provided with an alternative device that performs all the essential functions that are needed to engage in learning.

Over a students’ time in Eden Prairie Schools, each time the student damages a device, it will be tracked throughout their career. If a student damages a device in elementary school, that will be recorded and will follow the student through middle and high school. If more than one device is damaged during their career, there will be additional charges added to each recurring incident. For example:

- First damaged device - No multiplier
- Second damaged device - Damage cost x 2
- Third damaged device - Damage cost x 3

- ~~iPad Brick - \$13~~
- ~~iPad Cable - \$7~~
- ~~iPad Glass Damage - \$100~~
- ~~iPad Case Replacement - \$32~~

Sharing Inspiration Volunteer Program

We believe each person has individual gifts, interests and talents, which is why we are passionate about incorporating volunteers into our district classrooms and programs. Community Education oversees the [Sharing Inspiration Volunteer Program](#), which places community members, older students wanting to give back, and parent volunteers (including field trip chaperones) in one-time or ongoing volunteer roles across the district.

The Sharing Inspiration Volunteer Program works with teachers and other building staff members to identify needs for volunteers. Placements are then made based on the availability, strengths, and interests of vetted volunteers. A wide variety of opportunities are available within and outside of the school day, including, but not limited to, ~~literacy or math tutors~~, lunchroom or recess support, guest speakers, media center volunteers, general classroom support, special event workers, and evening homework helpers/tutors.

All volunteers must start by submitting an application at www.edenpr.org/volunteer. Our Outreach and Engagement Supervisor will then connect to [share next steps](#) or discuss your interests and current opportunities. ~~Depending on the type of role you are assigned, volunteers typically then go through a background check and brief orientation prior to being placed.~~ [Most student-facing roles require a background check and brief orientation prior to the volunteer being placed. Financial assistance and reimbursement are available to ensure the background check fee is not a barrier to volunteering.](#)

Parent-Teacher Organizations

The Parent-Teacher Organization (PTO) at each elementary school is made up of parents working to enhance your child's school experience. The group sponsors family-oriented social and/or academic activities during the year and also organizes a wide variety of parent volunteer programs. The PTO plans events that serve as fundraisers with money used for programs and curriculum supplements that directly benefit students. Anyone interested in joining or requesting additional information about the PTO should contact the main office of the school(s), and someone will gladly assist in getting you connected to a current PTO member.

Please know that most PTO volunteers who are volunteering during the school day must also go through the Sharing Inspiration Volunteer Program process (see above).

District Advisory Council Volunteers

A variety of district-level committees and advisory councils, such as the Curriculum Advisory Council, Finance Advisory Committee, Special Education Advisory Council, and Community Education Advisory Council, are important ways parents can help shape district policies, procedures, and programs. For more information, log onto www.edenpr.org or call (952) 975-7150.

Attendance

We believe each student should be in school every day. Regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students, and establishes regular habits of dependability important to the future of the student. Class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher, and administrators. Eden Prairie Schools is a participant in the Hennepin County Attorney's Office be@school program. This program seeks to improve school attendance and increase the opportunity for Hennepin County's children to realize their potential. In collaboration with the County efforts, Eden Prairie aims to have each student attend school every day. In accordance with the Minnesota Compulsory Instruction Law, Minn. Stat. 120A.22, the students of the school district are REQUIRED to attend all assigned classes and/or study halls every day school is in session, unless the student has been excused by the school board from attendance because the student has already completed state and school district standards required to graduate from high school, has withdrawn, or has a valid excuse for absence.

Late Arrival/Early Departure

Eden Prairie students arriving late or leaving early must have parents call the attendance line. The message should include the parent/guardian's name, student name, and reason for absence. Excused reasons for being late or leaving early will follow the same listing as excused absences. Students who are late due to oversleeping or missing the bus are considered unexcused and may be counted as tardy or in some cases, as an unexcused absence.

Excused Absences

The following reasons shall be sufficient to constitute excused absences:

1. Illness
2. Serious illness in the student's immediate family
3. A death or funeral in the student's immediate family or of a close friend or relative
4. Medical, dental, orthodontic treatment, or counseling appointment
5. Court appearances occasioned by family or personal action
6. Religious instruction not to exceed three hours in any week
7. Physical emergency conditions such as fire, flood, storm, etc.
8. Official school field trip or other school-sponsored outing
9. Removal of a student pursuant to a suspension.
10. Religious observance
11. Family vacation (limited to 5 days per year) handled as excused absences and students will be permitted to complete make-up work
12. Family emergencies
13. A student's condition that requires ongoing treatment for a mental health diagnosis
14. In order for an absence to be excused, a parent needs to call the school attendance line prior to, or the day of the absence. The parent needs to state when the child will be absent and explain the reason for the absence. Students whose absences are excused are required to make up assignments missed or to complete alternative assignments as deemed appropriate by the classroom teacher. Students who accumulate excessive absences, even when excused, will work with the school staff and parents to develop a plan to assure attendance at school daily.

Tardiness

Students are expected to be in their assigned area at the start of school or the start of a class. Failure to do so constitutes tardiness.

Procedures for Reporting Tardiness

Students tardy at the start of school must report to the school office to be signed in. Tardiness between class periods will be handled by the teacher.

Expected Tardiness

Valid excuses for tardiness are:

1. Illness
2. Serious illness in the student's immediate family.
3. A death or funeral in the student's immediate family.
4. Medical, dental, orthodontic, or mental health treatment.
5. Court appearances occasioned by family or personal action.
6. Physical emergency conditions such as fire, flood, storm, etc.
7. Any tardiness for which the student has been excused in writing by an administrator or faculty member.

Unexcused Tardiness

An unexcused tardiness is failing to be in an assigned area at the designated time class period commences without a valid excuse.

Unexcused Absences for Truancy

These are examples of absences that will not be excused:

1. Truancy which is an absence that is not approved by the parent and/or the school district
2. Any absence where the student/ family failed to comply with any reporting requirements of the school district's attendance procedures
3. Work at home
4. Work at a business, except under a school-sponsored work release program.
5. Vacations with family without prior notice and exceeding 5 days
6. Any other absence not included under the attendance procedures set out in this policy

Consequences of Unexcused Absences

School district staff will work with the parent, student, and the Hennepin County Attorney's office be@school program and follow the three-day notification and six-day Parent Group Meeting process.

- If unexcused absences continue after following be@school process, the Hennepin County Attorney's office will follow with necessary legal action to ensure attendance at school.
- Absences resulting from official suspension will be handled in accordance with the Pupil Fair Dismissal Act, Minn. Stat. 121A.40-121A.56.

- Days during which a student is suspended from school shall not be counted in a student's total accumulated unexcused absences.
- Along with following the Hennepin County Attorney's be@school programs, the student or his or her parent or guardian may, within a reasonable time, request a conference with school officials regarding the student's absences and the prescribed discipline. The notification will state that the school strongly urges the student's parent or guardian to request such a conference.

Asbestos/Pesticide/Air Quality Notices

The Environmental Protection Agency requires school districts to annually notify parents, guardians, and staff about the presence of asbestos in district facilities as well as planned abatement activities. Eden Prairie Schools performs routine six-month periodic inspections of all asbestos-containing building material to ensure materials are in good condition. Records of these inspections are available for viewing in each building maintenance office and the Facilities and Safety Department at the Administrative Services Center. Anyone is welcome to review these plans with prior notice during normal working hours Monday through Friday. No planned asbestos abatement is scheduled for the 2021-2022 school year 2012-2013 school year. If you have any questions or concerns, please contact the district's Asbestos Designated Person, Kyle Fisher, at 952-975-7124 Jim Anderson, at 952-975-7126. More information on Asbestos can be found at: www.epa.gov/asbestos/pubs/asbestos_in_schools.html

The Parents' Right-To-Know Act that was passed by the Minnesota Legislature requires schools to notify parents, guardians, and staff regarding pesticide application in schools. The district uses Orkin Pest Control to conduct planned pesticide applications during the school year. Applications will be done as needed but will always be on the fourth Thursday of each month while school is not in session. However, the schedule may change due to inclement weather. Parents, guardians, and staff may request to be notified of any changes in the application schedule by contacting any of the school offices. If you have any questions or concerns, please contact the Facilities and Safety Department at 952-975-7121. More information on Pest Management can be found at: www.mda.state.mn.us/en/plants/pestmanagement/ipm/ipmschools.aspx

Eden Prairie Schools has developed an Indoor Air Quality (IAQ) Management Program as required by the Minnesota Department of Education. The program includes information for concerned parents, guardians, and staff regarding the IAQ in our schools as well as an overall building walkthrough inspection that is conducted in all school district buildings annually. The program also includes a written set of procedures that describe ways to correct the identified IAQ problems, prevent future problems, and respond to emergencies and concerns. The district's Indoor Air Quality Coordinator, is Kyle Fisher, Facilities and Safety Director. He can be reached at 952-975-7124. More information on Indoor Air Quality can be found at: www.health.state.mn.us/divs/eh/indoorair/schools/index.html

Background Checks, Employment

The school district will seek criminal history background checks for all applicants who receive an offer of employment with the school district. The school district also will seek criminal history background checks for all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, regardless of whether compensation is paid. These positions include, but are not limited to, all athletic coaches, extracurricular academic coaches, assistants, and advisors. The school district may elect to seek criminal history background checks for other volunteers, independent

contractors, and student employees. [Financial assistance and reimbursement are available to ensure the background check fee is not a barrier to volunteering.](#)

Materials that are part of the basic educational program are provided with state, federal, and local funds at no charge to a student. Students are expected to provide their own pencils, paper, erasers, and notebooks. Students may be required to pay certain other fees or deposits, including (not an all-inclusive list). The school district also will provide notice to parents if, for four or more consecutive weeks, their child has been assigned to or taught by a teacher who is not highly qualified.

Pledge of Allegiance -

Students will recite the Pledge of Allegiance to the flag of the United States of America weekly. Any person who does not wish to participate in reciting the Pledge of Allegiance for any personal reason may elect not to do so. Students must respect another person's right to make that choice. Students will also receive instruction in the proper etiquette toward, correct display of, and respect for the flag.

Release of Directory Information

The Family Education Rights and Privacy Act requires school districts to notify parents/guardians and students that certain information from student records may be released and made public without the written consent of the parents or students 18-years-of-age or older. This information is called “directory information.” Directory information includes name, residential mailing address, telephone number, date and place of birth, grade in school, major field of study, participation in officially organized activities and sports, weight and height of athletic team members, dates of attendance, degrees and awards received, previous school attended, and photos. These publications could include district-initiated publications such as calendars, newsletters, annual reports, and brochures. They also include school-initiated publications such as student newspapers and yearbooks. In addition, media, including weekly community newspapers, metro daily papers, and television stations may ask to take photos of district students. Parent/guardians or students of majority age who do not want directory information released for internal and/or external use should indicate this on the annual “Directory Release Form” located on the parent portal by October 1. If you need a hard copy of the form, please contact your child's school. Hard copies of the form should be turned into the school office by October 1.

Student Records

Eden Prairie Schools has adopted a policy about the rights of parents and students with respect to school records. This policy complies with federal and state laws guaranteeing the right to examine and challenge the contents of student records. The Minnesota Legislature has said that all school records are deemed private. This means that the district cannot release any information without permission except directory information. A summary of census information along with grades and attendance data is stored electronically when students leave the school system.

Student Surveys

Occasionally, the school district utilizes surveys to obtain student opinions and information about students. If you have questions related to the rights of parents/guardians and eligible students about conducting surveys, contact your principal.

Health

The Health Services staff work in partnership with educational staff to provide students with high quality and consistent health care and health management. Find Health Services forms online at www.edenpr.org.

Allergies (Animals, Fragrances, Latex)

Animals and pets are not allowed to visit inside schools without principal permission and specific policy requirements. This policy is in place because of student and staff health needs and air quality issues. Some exceptions may be made; please check with the principal before bringing any animals into the classroom.

Eden Prairie Schools encourages a fragrance aware and latex limited environment. “Fragrance Aware” means that we will try to have a fragrance and scent-free environment. “Latex Limited” means that no latex gloves or latex balloons are allowed.

Communicable Disease

Your school’s Health Services office should be notified when a student has a communicable condition (i.e. chicken pox, strep throat, head lice, COVID-19) so appropriate measures may be taken. Notices may be sent home with other students when these conditions occur in a classroom. For a list of common childhood diseases, symptoms, communicability, and source of infection, log on to the district website, www.edenpr.org.

Health Conditions

The school nurse will work closely with students who have an acute or chronic health need such as asthma, cancer, diabetes, allergies, or other illness. Parents will want to notify Health Services about their student’s specific health needs. The student and parents will work with the school nurse to determine how best to manage the health conditions and plan for any potential life-threatening emergencies. Nurses will also be a resource for any ongoing needs related to isolation or exposure to COVID-19 based on current guidance from state and federal agencies.

Homebound or Hospital Instruction

Homebound or hospital instruction is provided for children who are absent from school due to prolonged illness or disability. If your child is going to be absent longer than 15 school days, please contact the school.

Illness/Injury

When should my child be kept at home, and when can he/she attend school?

- Fever of 100.4 degrees Fahrenheit or more – child should stay home until 24 hours after the temperature returns to normal
- Vomiting or diarrhea – child should stay home until 24 hours after the last episode
- Rash that may be disease-related or the cause is unknown – check with your health care provider before sending the child to school

If the child is ill at home, call the school attendance line daily to report the reason for absence. It is helpful if specific symptoms and/or diagnosis are reported. When a student becomes ill or is injured at school, first aid and illness management will be provided by the health paraprofessional and 911 will be called if it is needed. The parent/guardian will be contacted using the health and emergency information form. It is important that the names and phone numbers listed on the form are current and updated. Please list people who can pick the student up from school if you are not available.

Immunizations Up to Date

Eden Prairie Schools is part of the “No Shots, No School” program. All students must have proof of vaccination to start school. Students who have special medical problems and cannot be vaccinated, or whose parents conscientiously object, may receive legal exemption. Contact Health Services for assistance with accessing immunizations or to get information on exemptions.

Insurance

Eden Prairie Schools does not carry accident, disability, or medical insurance for students. Coverage is through the student’s family medical coverage, including the cost of ambulance services. The district does carry public/general liability coverage for district premises and/or employee negligence. MinnesotaCare health insurance is available for those families who qualify based on monthly income and family size. Questions about this plan can be directed to the school nurse or social worker.

Medications

Students are not usually permitted to administer their own medication at school. Parents requesting that prescription or non-prescription medication be administered during school hours are required to provide:

- A physician’s order/signature for medication during the school day
- Parent’s signature on a Medication Authorization Form or a note
- Medicine in the original prescription bottle labeled with the student's name, etc. Please ask the pharmacy to put prescription medication in two bottles completely labeled – one for home and one for school.

All non-prescription medications must be provided in their original labeled container. No medications can be dispensed when provided in envelopes, plastic bags, etc. Medication Authorization Forms are available in the nurse’s office.

Restricted Activities

Written doctor’s excuses are required for students who need to be kept in from recess at elementary school or who need to miss physical education. The note must state how long the restriction will be in effect.

Screening (Vision and Hearing)

Students will be screened according to the Minnesota Department of Health recommendations. Parents or teachers can also request vision or hearing screening any time if they have a concern about their child. If a student does not pass the vision or hearing screening procedure, the screening will be repeated. If the student does not pass the screening the second time, a physician referral notice will be sent to the parent. Parents are strongly encouraged to return the referral form to the school’s Health Services office.

Pursuant to Minnesota statutes, school lockers and student desks are the property of the school district. At no time does the school district relinquish its exclusive control of lockers and desks provided for the convenience of students. Inspection of the interior of lockers and student desks may be conducted by school authorities for any reason, at any time, without notice, without student consent, and without a search warrant.

Tobacco-Free Schools

School district students and staff have the right to learn and work in an environment that is tobacco-free. School policy is violated by any individual's use of tobacco or tobacco-related devices in a public school, on school grounds, in any school-owned vehicles, or at any school events or activities. Students may not possess any type of tobacco or tobacco-related device in a public school, on school grounds, in any school-owned vehicles, or at any school events or activities. Any student who violates this policy is subject to school district discipline. Contact the school principal or another staff member if you have questions or wish to report violations.

Should we put something about vaping?

Weapons

The district has adopted a weapons policy. Anyone who has reason to believe a weapon is on a school site, bus, or at a school-sponsored activity has a duty to report that information to the site administrator, police officer, or any adult supervisor. Possession is defined as, but not limited to, having a weapon on one's person or in an area subject to one's control in a school environment. Weapons are defined as any object, device, instrument, or substance designed as a weapon or through its use capable of threatening or producing bodily harm, or which may be used to inflict self-injury, including, but not limited to: firearms, loaded or unloaded, functional or non-functional, look-alike or facsimile or having the appearance of a weapon; all knives; objects designed to be worn over fists or knuckles; blackjacks, clubs, nunchucks or throwing stars; explosive or incendiary devices; bows and arrows, slingshots, razors; poison chemicals including mace, pepper gas, or similar sprays; firearm muffler, silencer, or ammunition; any object modified to serve as

a weapon; articles designed for other purposes such as pencils or scissors but used to inflict bodily harm or intimidate others.

Violation of the weapons policy may result in one or more of these consequences: out-of-school suspension, confiscation of the weapon; notification of the police, recommendation for expulsion or exclusion from school for up to one year. Students with disabilities who violate the policy will be disciplined in accordance with the requirement of the Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act.

Wellness Policy

Eden Prairie Schools has adopted a Wellness Policy to encourage students and staff to eat nutritiously and incorporate physical activity into a healthy lifestyle. A Wellness Advisory Committee was convened to monitor implementation of Wellness policies and guidelines, and to make recommendations to the district. Guidelines for healthy snacks, treats, and lunches from home were created. School district practices that have changed as a result of the policy include: ~~lunch was moved after recess to discourage hurried eating~~, providing at least 20 minutes of time after going through the lunch line to discourage hurried eating, no pop is sold where students are present during the school day, classroom birthday treats are discouraged, staff is encouraged to model healthy behaviors, food and beverage rewards are discouraged, healthy snacks from home are encouraged (a snack guideline is available at each site), classroom/holiday parties should be limited and not centered around food, and staff are encouraged to create opportunities for physical activity for students.

Safety and Security

Drills

State law requires schools to have 11 emergency drills each school year, including fire drills, lockdown drills, and tornado drills. School staff train students on procedures required to observe each drill. During drills, staff will act immediately to assist students, visitors, and volunteers in evacuation to a safe location.

Emergencies

During emergency procedures or evacuation, students, visitors, and volunteers are required to:

- Follow all emergency directions given by school officials.
- Report to the designated area for attendance and further instruction.
- Report any suspicious activity/behavior, concern or information immediately to school officials.

School Resource Officer

Eden Prairie Police Liaison Officers are connected with each school. Some have offices on campus, others visit regularly to develop relationships with students and teach safety programs. Officers also assist school staff with some student behavior investigations. Police Liaison Officers and the Facilities Department work cooperatively to review district crisis

management plans and site emergency procedures so that there is a coordinated response to emergencies by the school district and emergency responders.

Visitor check-in

The following procedures have been established to ensure the safety of all children at all times. Parents are considered visitors during the school day.

1. All must enter the school through the front security entrance and present their driver's license to the receptionist. Visitors will be required to wear a badge indicating their destination in the building.
2. Parents wishing to pick up their child(ren) from school prior to regular dismissal time must come to the office. The security assistant or the receptionist will call your child to the foyer/office and ask you to sign him/her out.
3. It is a common courtesy to let classroom teachers know prior to coming to visit the classroom. To avoid instructional interruptions, we ask that parents arrange classroom visits/ volunteer opportunities with the teacher or administrator prior to the day of the visit. [Those wishing to volunteer must go through the Sharing Inspiration Volunteer Program. Learn more at www.edenpr.org/volunteer.](http://www.edenpr.org/volunteer)
4. Visitors are asked to help maintain the consistency of the learning environment and are not allowed to observe in classrooms due to distractions and the importance of data privacy.
5. Only adults listed in CAMPUS as parents / guardians will be allowed to pick up a child. If a different adult will pick up a child, the child's parent / guardian must provide a signed note, email or verbal agreement and have it approved by the principal or designee.

Transportation

Eden Prairie Schools is pleased to offer safe, dependable, cost-effective transportation. All students living within school district boundaries may receive transportation to their boundary school. More information about the Eden Prairie Schools Transportation Department, including detailed student and parent/guardian responsibilities, is available at www.edenpr.org.

Bus Assignment

The bus assignment process is as follows:

- June - Transportation Commitment Forms are due. Families inform the district of how their student(s) will be getting to school the following year so the district can plan appropriately for bus routes and pedestrian and vehicle traffic at each school.
 - Students who have previously ridden the bus are automatically set up to ride the bus for the upcoming school year. Families who are new to Eden Prairie Schools will be asked their transportation preferences during the enrollment process and will not need to submit additional forms.

*Middle of August - Families receive preliminary bus information via email. Families have the opportunity to contact transportation if bus stop changes are needed.

•End of August - Families receive final student bus route information via email, [including](#) bus number, stop locations, pick-up, and drop-off times.

Riding a Different Bus Home

Students may ride a different bus to or from school on a space available basis. You must send a signed and dated note with your child saying what bus he/she is to ride and with whom they are to ride. The student must then have the note signed by office staff before giving it to the bus driver of the alternate route.

Students should be aware of the 10-foot area around the stopped school bus referred to as the "Danger Zone." Parents and community members are required by law to stop at least 20 feet from a bus with flashing red lights.
