

**DU PAGE ELEMENTARY SCHOOL DISTRICT 13  
BOARD OF EDUCATION  
Bloomington, Illinois**

Regular Meeting      September 25, 2023

**FOR DISCUSSION:**

**Subject:      Data Overview on D13 Enrollment**

Attached is the data from each school regarding their enrollment by grade level with the number of instructional classrooms in parenthesis for the elementary buildings. Westfield Middle School is organized differently and their staffing is based on the number of subject matter sections needed at each grade level. During the meeting, I will also share more information about square footage of classroom spaces at the schools, decisions made for sections during particular years and time to answer any questions you may have about the data.
