Coppell ISD

Update 104 represents the second of two post-legislative updates, focusing primarily on amendments to the Administrative Code as a result of recent legislation. Update 104 is considerably smaller than Update 103, which included the bulk of the changes from the 84th Legislative Session. Major topics in Update 104 include taxes, financial reports and audits, reports to SBEC, video and audio recording in special education settings, partial credit requirements for students who are homeless or in foster care, credit-by-exam requirements for homeless students, substitutes for state assessments, and wellness policy requirements. Several of the local policy recommendations address new local policy requirements included in the 2015–16 TEA *Student Attendance Accounting Handbook*, including homebound instruction and residency and admissions. Other local policy recommendations address equal educational opportunities for students and student discrimination and harassment.

Please bear in mind that the (LEGAL) policies reflect the ever-changing legal context for governance and management of the district. They should NOT be adopted but, rather, should inform local decision making. The (LOCAL) policy recommendations in this update will need close attention by both the administration and the board to ensure that they reflect the practices of the district and the intentions of the board. Board action is needed to adopt, revise, or repeal (LOCAL) policy.

In addition to the updated policies, your Localized Update 104 packet contains:

- **INSTRUCTIONS** . . . providing specific, policy-by-policy directions on how this update, if accepted as prepared, should be incorporated into your Localized Policy Manual.
- **EXPLANATORY NOTES** . . . summarizing changes to the policies in each code. Please note that, where appropriate, the Explanatory Notes ask you to **verify that a particular policy reflects your current practice and to advise us of changes needed** so that our records and your manual accurately track the district's practice.

Vantage Points—A Board Member's Guide to Update 104 may be found in the separately wrapped package accompanying this packet. *Vantage Points* offers a highly summarized overview of the update and is intended to provide local officials a first glance at the scope of the update—as a prelude to studying the detailed Explanatory Notes and policy text within the packet. **Please distribute the enclosed copies of *Vantage Points* to your board members** at the earliest possible opportunity, preferably with their review copies of this update.

Update 104 policies are so identified in the lower left-hand corner of each policy page. If you have any questions concerning this update, please call your policy consultant, Amy Kadlecek, at 800-580-7529 or 512-467-0222.

Regarding board action on Update 104 . . .

- Board action on Localized Update 104 must occur within a properly posted, open meeting of the board and may be addressed on the agenda posting as “Policy Update 104, affecting (LOCAL) policies (see attached list of codes).” Policy On Line districts have access to a list of the (LOCAL) policies included in the update through the Local Manual Updates application in myTASB. Other districts may generate a list of the (LOCAL) policy codes added, revised, or deleted (and the titles/subtitles of those policies) using the Instruction Sheet as a guide and attach that list to the posting. BoardBook compilers should use “Policy Update 104, affecting (LOCAL) policies” as the agenda item and, as agenda subitems, the code and name of each of the (LOCAL) policies affected by the update.
- A suggested motion for board action on Localized Update 104 is as follows:
“I move that the board add, revise, or delete (LOCAL) policies as recommended by TASB Policy Service and according to the Instruction Sheet for TASB Localized Policy Manual Update 104 [with the following changes:]”
- The board’s action on Localized Update 104 must be reflected in board minutes. The Instruction Sheet—annotated to reflect any changes made by the board—and the Explanatory Notes for the update should be filed with the minutes where they make up the authoritative record of your board’s actions. Include a copy of new, replaced, or rescinded (LOCAL) policies.
- In constructing the separate historical record of the manual, the emphasis is on tracking the history of individual policies. For guidance on maintaining this record, please refer to the *Administrator’s Guide to Policy Management* available in the myTASB Policy Service Resource Library at <https://www.tasb.org/Services/Policy-Service/myTASB/Guidance-for-Policy-Administrators.aspx>.

Regarding manual maintenance and administrative regulations . . .

- **Notify your policy consultant of any changes made by the board so that Policy Service records—forming the basis for subsequent updating recommendations—exactly mirror your manual.**
- The update should be incorporated into each of the district’s Localized Policy Manuals as soon as practicable. You will need to notify us of the board’s action on Update 104 so that your district’s Localized Policy Manual as it appears on TASB’s web server can be updated. Policy On Line staff may be reached by phone (800-580-7529 or 512-467-0222), by fax (512-467-3618, using the Update 104 Adoption Notification Form enclosed), by e-mail (pol-support@tasb.org), or through the Policy On Line Administrator Tools (<https://www.tasb.org/apps/PolicyAdmin>).
- Administrative procedures and documents—including formal (REGULATIONS), handbooks, and guides—that may be affected by Update 104 policy changes should be inspected and revised by the district as needed.

TASB Localized Policy Manual Update 104

District: Coppel ISD

ATTN (NOTE) GENERAL INFORMATION ABOUT THIS UPDATE

Please note: Unless otherwise noted, references to legislative bills in these Explanatory Notes refer to bills from the 84th Regular Legislative Session. All referenced bills have already gone into effect unless otherwise noted.

CCG (LEGAL) LOCAL REVENUE SOURCES
AD VALOREM TAXES

Multiple bills affected this legally referenced policy on ad valorem taxes. Significant changes are described with the relevant bill number in parenthesis.

When a district's TAX RATE will exceed the sum of the effective maintenance and operations tax rate and the district's current debt rate, the board's vote on the ordinance, resolution, or order setting the tax rate must be by record vote, and at least 60 percent of the members of the board must vote in favor of the ordinance, resolution, or order. See page 4. (SB 1760)

The HOMESTEAD EXEMPTION, as reflected on page 10, increased from \$15,000 to \$25,000. (SB 1)

At EXEMPTION FOR SURVIVING SPOUSE on page 11, we have added a recently adopted constitutional amendment providing the residence homestead exemption to a surviving spouse of a 100 percent disabled veteran who died before the law authorizing the exemption for such a veteran took effect. (HB 992)

CFA (LEGAL) ACCOUNTING
FINANCIAL REPORTS AND STATEMENTS

New provisions at REPORT OF DEBT INFORMATION, beginning on page 1, are from HB 1378 and require school districts to annually compile and report financial information related to the district's debt obligations, credit rating, and other relevant information. The district must make the annual report available for inspection and post the report on its website until the district posts the next annual report. A district must also post on its website the contact information for the main office of the district. As an alternative to providing an annual report, a district may provide the required information to the comptroller and provide a link to the comptroller's website, where the district's financial information may be viewed.

Other revisions throughout this legally referenced policy are based on amendments to the Texas Administrative Code, effective August 6, 2015. The rules were amended to remove outdated provisions and to align provisions with current statute.

The ratings at CORRECTIVE ACTION PLAN, on page 5, have been updated to refer to the new letter ratings.

At PROJECTED DEFICIT, also on page 5, the rule revisions implement changes from HB 5 (83rd Legislative Session). When the commissioner of education projects that a deficit will occur in a district's general fund within the next three school years, TEA will provide the district certain financial information to evaluate the district's budget situation. TEA may also require the district to submit additional information or to acquire professional services.

Explanatory Notes

TASB Localized Policy Manual Update 104

CFC (LEGAL) ACCOUNTING
AUDITS

Newly added to the policy manual are provisions addressing the FINANCIAL ACCOUNTABILITY RATING SYSTEM, beginning on page 2, as revised in Administrative Code rules, effective August 6, 2015. The rules were revised to continue or update established practice. The provisions explain the DATA REVIEWED by TEA in calculating the financial accountability indicators and include a description of the items used as the BASIS FOR THE RATING, including clarification that ratings are based on the data for the prior fiscal year. At TYPES OF RATINGS is an explanation of each of the possible letter grade ratings. Regarding ISSUANCE OF RATINGS, TEA must issue the preliminary rating on or before August 8, and the preliminary rating will become final 31 days after issuance if the district does not file an appeal.

Administrative Code provisions on financial solvency were deleted from rule effective December 29, 2015, because the statute that directed TEA to develop a review process relating to financial solvency of districts and to take certain actions if the review indicated a projected deficit was repealed effective September 1, 2014. Current statute requires TEA to provide districts additional information if a projected deficit is found, as reflected at CFA(LEGAL), included in this update.

CQA (LEGAL) TECHNOLOGY RESOURCES
DISTRICT, CAMPUS, AND CLASSROOM WEBSITES

Beginning on January 1, 2016, HB 1378 requires a district to continuously post on its website the district's annual financial report and the contact information for the district's main office. (See items 12 and 13 on page 2.)

DBAA (LEGAL) EMPLOYMENT REQUIREMENTS AND RESTRICTIONS
CRIMINAL HISTORY AND CREDIT REPORTS

Amended Administrative Code rules addressing State Board for Educator Certification (SBEC) enforcement actions were adopted effective October 8, 2015, and resulted in a new provision on page 6 permitting SBEC to impose a SANCTION on a superintendent who falsely or inaccurately certifies to the commissioner of education that the district complied with the required criminal history review provisions in law.

DFE (LEGAL) TERMINATION OF EMPLOYMENT
RESIGNATION

Amended Administrative Code rules addressing State Board for Educator Certification enforcement actions were adopted effective October 8, 2015, and resulted in minor rewording at INVESTIGATION, on page 2.

DHB (LEGAL) EMPLOYEE STANDARDS OF CONDUCT
REPORTS TO STATE BOARD FOR EDUCATOR CERTIFICATION

Amended Administrative Code rules addressing State Board for Educator Certification (SBEC) enforcement actions were adopted effective October 8, 2015. The rules clarify that a superintendent must notify SBEC if an educator has submitted a notice of RESIGNATION and evidence exists that would support a finding that the educator had engaged in an act of misconduct as described in the policy.

TASB Localized Policy Manual Update 104

E (LEGAL) INSTRUCTION

We have revised the E section table of contents to add a new policy, EHBAF, on video and audio monitoring of special education classes and other settings.

EEH (LOCAL) INSTRUCTIONAL ARRANGEMENTS HOMEBOUND INSTRUCTION

The 2015–16 TEA *Student Attendance Accounting Handbook (SAAH)* explains that a student who receives special education services is eligible to be placed in a special education homebound instructional setting if the student is expected to be confined for a minimum of four weeks to a hospital or homebound setting. However, the four weeks need not be consecutive if the student is chronically ill and if permitted by local district policy. To address the local policy requirement, recommended text at SPECIAL EDUCATION designates the ARD committee of a chronically ill student to determine whether the weeks of confinement need to be consecutive, since this decision would typically be made on a case-by-case basis. Other recommendations include clarification that in determining the type and amount of instruction, the ARD committee should do so in accordance with law and, if applicable, will determine the length of the transition period to the school-based setting based on current medical information.

Eligibility for GENERAL EDUCATION homebound services also requires confinement for a minimum of four weeks, which do not need to be consecutive, as clarified in the new sentence recommended for inclusion in the policy. Other recommended revisions at this margin note are to improve sentence structure and flow.

A recommended change at DOCUMENTATION OF SERVICES requires that documentation of homebound services be maintained in accordance with the *SAAH* and a student's IEP, if applicable, in addition to any other administrative procedures the district may have.

EHBAF (LEGAL) SPECIAL EDUCATION VIDEO/AUDIO MONITORING

This new legally referenced policy addresses video and audio monitoring of special education classes and other settings, effective for the 2016–17 school year, as added by SB 507.

Upon request by a parent, board member, or staff member to promote student safety, a district must provide equipment, including a video camera, to each school in the district in which a student who receives special education services in a self-contained classroom or other special education setting is enrolled. Schools must operate the cameras in classrooms or special education settings as described in the policy.

There are specific requirements outlined in the policy for the VIDEO CAMERAS, such as the areas that must be visible and audible. Districts must provide WRITTEN NOTICE to all school staff and to the parents of students receiving special education services in the classroom or setting where cameras are placed.

The RETENTION PERIOD for the recordings is a minimum of six months after the date of the recording. A district may not allow regular or continual monitoring of the video recording or use the recording for teacher evaluations or any other purpose other than to promote the safety of students receiving special education services.

Recordings of a student are CONFIDENTIAL, with certain exceptions.

TASB Localized Policy Manual Update 104

EHDC (LEGAL) ALTERNATIVE METHODS FOR EARNING CREDIT CREDIT BY EXAMINATION WITHOUT PRIOR INSTRUCTION

A new provision from amended State Board of Education rules effective November 20, 2015, requires a district to provide opportunities for credit by examination to STUDENTS WHO ARE HOMELESS OR IN SUBSTITUTE CARE who transfer into the district after the school year begins. (See page 3.)

EI (LEGAL) ACADEMIC ACHIEVEMENT

A new requirement from amended State Board of Education rules effective November 20, 2015, requires a district to award partial credit to a student who is homeless or in substitute (foster) care who successfully completes only one semester of a two-semester course.

Districts still have discretion regarding whether to award partial credit to other students who successfully complete only one semester of a two-semester course. However, if your district either does not award partial credit or places restrictions on the award of partial credit, please be aware of the new requirements for students who are homeless or in substitute care when applying partial credit.

EKB (LEGAL) TESTING PROGRAMS STATE ASSESSMENT

Amendments to the Administrative Code effective December 10, 2015, implement changes from HB 1613 and SB 149 regarding use of the Texas Success Initiative (TSI) as a substitute assessment for an end-of-course (EOC) assessment and HB 2349 regarding reporting the results separately for out-of-state transfer students. As explained at SUBSTITUTE ASSESSMENTS beginning on page 6, a student enrolled in a college preparatory English language arts or mathematics course who meets a certain score on the TSI at the end of the course satisfies the relevant EOC assessment graduation requirements. Under some circumstances, a student can satisfy both the English I and II EOC assessment requirements.

In addition, a student who did not meet satisfactory performance on the Algebra I or English II EOC assessment after retaking the assessment may use the TSI as a substitute assessment if the student has met certain TSI score requirements.

The amended rules also require a district to report to TEA whether a student transferred into the district from out of state during the current school year, and TEA must report the assessment results of these transfer students separately from other students. (See OUT-OF-STATE TRANSFERS on page 11.)

An existing statutory provision has been added requiring ACCELERATED INSTRUCTION for students who fail an assessment administered in grades three through eight.

FB (LEGAL) EQUAL EDUCATIONAL OPPORTUNITY

The U.S. Department of Education Office for Civil Rights (OCR) enforces the Age Discrimination Act of 1975, which prohibits discrimination based on age in programs or activities, including programs or activities of a local educational agency or other school system, that receive federal financial assistance. To accurately reflect this federal law in policy, we have added "age" to the list of protected characteristics at FEDERAL FUNDING RECIPIENTS on page 1.

Additional information on the Age Discrimination Act may be found at <http://www2.ed.gov/policy/rights/guid/ocr/ageoverview.html>.

Explanatory Notes

TASB Localized Policy Manual Update 104

We have revised the text at EVALUATION AND PLACEMENT, beginning on page 4, to provide additional detail from current regulations about a district's obligation to conduct an evaluation for a student with a disability who needs or is believed to need special education or related services. The text also outlines the items that need to be addressed in district procedures on evaluation and placement.

FB (LOCAL) EQUAL EDUCATIONAL OPPORTUNITY

To eliminate the need for the board to readopt this policy every time the district's Title IX coordinator or ADA/Section 504 coordinator changes, we have moved the contact information for those positions to FB(EXHIBIT), which is not a board-adopted document. The Department of Education's Office for Civil Rights (OCR) emphasizes the duty of school districts to make these coordinators "visible" to the school community, but recognizes the cost and administrative burden associated with staffing changes. Moving the contact information to the exhibit will maintain the visibility of the coordinators while reducing the administrative burden. See U.S. Dep't of Educ., OCR, [Dear Colleague Letter \(PDF\)](#) (Apr. 24, 2015).

Along with this change, TASB Policy and Legal Services have revised the recommended text in this local policy to capture the district's obligation to provide equal educational opportunities to all students, including the protections under Section 504 and other laws. The changes are based on the Section 504 regulations as well as the requirements throughout federal and state law to provide equal educational opportunities to all students. Two new *Notes* in the policy clarify the distinction between the issues addressed in FB and in policy FFH, which governs the district's response to student discrimination and harassment.

New recommended provisions address the overarching concept of EQUAL EDUCATIONAL OPPORTUNITY for all students along with a district's obligation to consider ADDITIONAL SERVICES AND SUPPORTS as necessary. Because Texas law specifically overlaps the diagnosis and services provided to students with dyslexia and related disorders to Section 504, we have added a cross-reference to policy EHB for information related to dyslexia.

The existing policy provisions related to Section 504 have been revised significantly. The most substantive recommendations include:

- Revisions to the text associated with SECTION 504 COMMITTEES to acknowledge that the Section 504 coordinator for the district will not always be a member of each 504 committee. In addition, the text now refers to the "group of persons" required by regulation to serve on the committee, rather than referencing a specific number of persons.
- Placing more emphasis on the district's duty to evaluate when REFERRALS are made, along with revisions to the NOTICE AND CONSENT provisions to recognize guidance from the OCR and the procedural safeguards requirements of Section 504.
- Changing the text associated with EVALUATION AND PLACEMENT to mirror the requirements placed on the "recipient" of federal funding to ensure that the district's procedures for tests and other evaluation materials comply with the minimum requirements of law. Rather than specifically requiring an adaptive behavior evaluation in local policy, the recommended text refers to a variety of evaluations that each Section 504 committee will consider.
- A new provision addressing the REVIEW AND REEVALUATION PROCEDURE required in the Section 504 regulations. Because a district is required by the Section 504 regulations to periodically reevaluate a student's eligibility for services, and the Section 504 regulations allow a district to use the same timeline established in the Individuals with Disabilities Education Act (IDEA) to comply with the reevaluation requirement, the recommended text affirms that the district will abide by the IDEA timelines related to reevaluation (generally at least once every three years and not more than once a year). Also included is a provision addressing reviews of a student's services and supports.

Explanatory Notes

TASB Localized Policy Manual Update 104

- A new statement to accommodate a procedural safeguards requirement in the Section 504 regulations reflecting the parent's rights related to EXAMINING RECORDS of his or her child.
- Revisions to the existing text associated with a parent's RIGHT TO AN IMPARTIAL HEARING, to more accurately capture the requirements in the Section 504 regulations. Although a district may use the state-developed procedural safeguards document used for IDEA-eligible students to comply with the procedural safeguards required by the Section 504 regulations, the recommended text in the local policy addresses each component of the required Section 504-specific procedural safeguards topics.
- Revision of text regarding state-mandated assessments, as accommodations on state assessments are only one type of accommodation provided to students with disabilities. See EQUAL EDUCATIONAL OPPORTUNITY.
- Relocation and revision of text associated with RECORDS RETENTION to remove provisions associated with records of discrimination, harassment, and retaliation, since these concepts are addressed at policy FFH, and to focus on the retention requirements for records pertaining to Section 504.

Please note: We have retained the district's locally developed text, as required by an existing OCR agreement, at the beginning of the policy.

FB (EXHIBIT) EQUAL EDUCATIONAL OPPORTUNITY

To eliminate the need for the board to readopt policy every time the district's Title IX coordinator or ADA/Section 504 coordinator changes, we have moved the contact information for those positions to this exhibit, which is not a board-adopted document.

Please confirm the contact information included in this exhibit and contact your policy consultant if any adjustments are needed.

FD (LEGAL) ADMISSIONS

To assist districts in determining residency of students seeking admission to district schools, a definition of "residence" has been added from a U.S. Supreme Court case at PROOF OF ELIGIBILITY, beginning on page 3. The definition provides that residence requires living in the district and having the present intention to remain there.

FD (LOCAL) ADMISSIONS

The 2015–16 TEA *Student Attendance Accounting Handbook (SAAH)* requires districts to maintain written local board-adopted policies that provide detailed information on the district's attendance accounting system and that include the district's written policy for documentation to establish student residency. Informal guidance from TEA would allow districts to continue the common practice of the superintendent maintaining in administrative regulations a list of documents that may be used to verify residency. However, districts will need to provide auditors with the district's list of documents that may be used to establish residency. Recommended local policy text aligns with this practice and requires the parent to present proof of residency in accordance with administrative regulations. The text also allows the district to investigate stated residency as necessary. Please note that FD(REGULATION) will be updated in the next *TASB Regulations Resource Manual* update. If the district would like to include in policy a list of accepted documents, please contact your policy consultant for appropriate language.

Explanatory Notes

TASB Localized Policy Manual Update 104

To better accommodate the completion of REGISTRATION FORMS electronically, the reference to a signature is recommended for deletion. The requirement to *complete* registration forms can incorporate either a written signature on paper forms or an electronic acknowledgment or affirmation on an electronic form.

New provisions are also recommended to clarify TRANSFER OF CREDIT from accredited and nonaccredited schools and are broad enough to replace the current local policy provisions, which are limited to transfer of credit from nonaccredited schools. In accordance with state rule and as reflected in the recommended text, the district must accept credits for state graduation requirements earned in an accredited public school district in Texas. However, before recognizing credits earned in any other school, including an accredited nonpublic school, an accredited school outside of Texas, or a nonaccredited school, a district must evaluate the records or transcripts and may use a variety of methods to verify course content. The recommended local policy text also clarifies that the district may require the student to demonstrate mastery of the course content. Please note, your locally developed text regarding credit from FOREIGN SCHOOLS has been retained.

The definition of "accredited" that was already included in the policy has been moved to the beginning of the section addressing transfer students, since this definition is relevant to placement decisions as well as transfer of credit.

Revisions at WITHDRAWAL reflect that a parent wishing to withdraw a student presents a statement of withdrawal rather than a request.

FEB (LOCAL) ATTENDANCE ATTENDANCE ACCOUNTING

To match wording in state rule, we have revised the text in this local policy to refer to "alternative" times for taking attendance. See ALTERNATIVE RECORDING TIME.

The 2015–16 TEA *Student Attendance Accounting Handbook (SAAH)* requires districts to maintain written local board-adopted policies that provide detailed information on the district's attendance accounting system, including the district's written policy for documentation to establish student residency. To tie this policy on attendance accounting with the district's residency provisions at FD(LOCAL), we have added, at ATTENDANCE ACCOUNTING SYSTEM, a cross-reference to FD for admissions and residency requirements related to student attendance accounting.

FFA (LEGAL) STUDENT WELFARE WELLNESS AND HEALTH SERVICES

Revisions to this legally referenced policy on student wellness and health services reflect the repeal of the 2004 federal school wellness policy requirements and the addition of new wellness policy requirements from the Healthy, Hunger-Free Kids Act (HHFKA) of 2010. The 2010 HHFKA places greater emphasis on implementation, evaluation, and transparency to the public.

Specifically, the HHFKA added requirements for:

- Including wellness goals for nutrition promotion;
- Permitting additional stakeholders, including teachers of physical education and school health professionals, to participate in the development, implementation, and periodic review of the wellness policy;
- Informing the public about the content and implementation of the policy;
- Providing an assessment of the implementation of the policy; and
- Designating one or more district employees to ensure that each campus complies with the policy.

Explanatory Notes

TASB Localized Policy Manual Update 104

The U.S. Secretary of Agriculture must develop regulations that provide the framework and guidelines for districts to establish their wellness policies. Final federal regulations are still pending and will be added to the policy when effective.

Please note: TASB Policy Service has created new policy development materials to assist you in revising your FFA(LOCAL) for appropriate compliance with the HHFKA statutory requirements, available on myTASB at <https://www.tasb.org/Services/Policy-Service/myTASB/Starting-Points/Wellness/Wellness-Policy-and-Wellness-Plan.aspx>.

FFC (LOCAL) STUDENT WELFARE
STUDENT SUPPORT SERVICES

To eliminate the need for the board to readopt policy every time the district's liaison for homeless students changes, we have moved the contact information for this position to FFC(EXHIBIT), which is not a board-adopted document. As a result, this local policy is recommended for deletion.

FFC (EXHIBIT) STUDENT WELFARE
STUDENT SUPPORT SERVICES

To eliminate the need for the board to readopt policy every time the district's liaison for homeless students changes, we have moved the contact information for this position to this new exhibit, which is not a board-adopted document.

Please confirm the contact information included in this exhibit and contact your policy consultant if any adjustments are needed.

FFH (LOCAL) STUDENT WELFARE
FREEDOM FROM DISCRIMINATION, HARASSMENT, AND
RETALIATION

Recommended revisions update the STATEMENT OF NONDISCRIMINATION and the definition of DISCRIMINATION to add "sex" and "age" in accordance with Title IX and the Age Discrimination Act of 1975, respectively. Both statutes are enforced by the Department of Education's Office for Civil Rights (OCR).

In addition, to eliminate the need for the board to readopt this policy every time the district's Title IX coordinator or ADA/Section 504 coordinator changes, we have moved the contact information for those positions to FFH(EXHIBIT), which is not a board-adopted document. The OCR emphasizes the duty of school districts to make these coordinators "visible" to the school community, but recognizes the cost and administrative burden associated with staffing changes. Moving the contact information to the exhibit will maintain the visibility of the coordinators while reducing the administrative burden. See U.S. Dep't of Educ., OCR, [Dear Colleague Letter \(PDF\)](#) (Apr. 24, 2015).

The provision explaining the district's RECORDS RETENTION obligations for allegations, investigation reports, and other related records regarding prohibited conduct has been moved from FB(LOCAL) and revised to replace the stated retention periods with a reference to law. FFH is a more appropriate policy for this provision, since FFH addresses complaints of discrimination, harassment, and retaliation.

Please note: We have retained your locally developed text as required by the district's existing OCR agreement in the last two sentences at STATEMENT OF NONDISCRIMINATION and at COUNSELING.

FL (LEGAL) STUDENT RECORDS

Although new provisions from SB 507 that require video cameras in certain special education classrooms are not effective until the 2016–17 school year, the bill makes immediate changes regarding the list of EXCEPTIONS for which consent is not required when a district employee makes VIDEOTAPES AND RECORDINGS of a child or child's voice. Parental consent is not required when a videotape or recording is related to the promotion of student safety under the new law pertaining to recordings in special education settings. SECTION I: MAINTENANCE TAXES

A board may levy, assess, and collect annual ad valorem taxes for the maintenance of a district's schools. *Education Code 45.002*

TAX RATE CAP

If authorized by a majority of qualified voters of a district voting at an election held for that purpose, the district may impose a maintenance tax rate at a rate not to exceed the rate stated in the proposition. For any year, the maintenance tax rate per \$100 of taxable value adopted by a district may not exceed the rate equal to the sum of \$0.17 and the product of the state compression percentage, as determined under Education Code 42.2516, multiplied by \$1.50.

A rate that exceeds this maximum rate for the year in which the tax is to be imposed is void. A district with a tax rate that is void under this subsection may, subject to requirements imposed by other law, adopt a rate for that year that does not exceed the specified maximum rate for that year.

Notwithstanding any other law, a district that levied a maintenance tax for the 2005 tax year at a rate greater than \$1.50 per \$100 of taxable value in the district as permitted by special law may not levy a maintenance tax at a rate that exceeds the rate per \$100 of taxable value that is equal to the sum of \$0.17 and the product of the state compression percentage, as determined under Education Code 42.2516, multiplied by the rate of the maintenance tax levied by the district for the 2005 tax year.

Education Code 45.003(a), (d)–(f)

APPRAISAL ROLL

By August 1 or as soon thereafter as practicable, a district's tax assessor shall submit to the board the district's appraisal roll, showing the total appraised, assessed, and taxable values of all property and the total taxable value of new property.

Note: The Texas comptroller of public accounts annually publishes *Truth in Taxation: A Guide for Setting School District Tax Rates*. School districts should consult the *Truth in Taxation* guide, available in print form or through the comptroller's website at <http://comptroller.texas.gov/taxinfo/proptax/tnt/school-districts.html>, for detailed guidance on setting local property tax rates.

By August 1 or as soon thereafter as practicable, a district's tax collector shall certify to the board the estimates and amounts required by law.

CERTIFIED ESTIMATE	By April 30, the chief appraiser shall prepare and certify an estimate of the taxable value of school district property. <i>Tax Code 26.01(e)</i>
DISASTER AREA	If a district is located partly or entirely inside an area declared by the governor to be a disaster area, the board may authorize the reappraisal of all property damaged in the disaster at its market value immediately after the disaster. <i>Tax Code 23.02(a)</i>
MEETING ON BUDGET AND PROPOSED TAX RATE	A board shall call a public meeting to discuss and adopt its budget and proposed tax rate. A board must provide notice of the budget and proposed tax rate meeting, as described below. The budget must be adopted before the adoption of the tax rate for the tax year in which the fiscal year covered by the budget begins. [See CE]
PUBLISHED NOTICE	A board president shall provide for publication of notice of the budget and proposed tax rate meeting in a daily, weekly, or biweekly newspaper published in a district. If no daily, weekly, or biweekly newspaper is published in a district, the president shall provide for publication of notice in at least one newspaper of general circulation in the county in which the district's central administrative office is located. The notice shall be published not earlier than the 30th day or later than the tenth day before the date of the hearing.
FORM OF NOTICE	The published notice of the public meeting to discuss and adopt the budget and the proposed tax rate must meet the size, format, and content requirements dictated by law. The notice is not valid if it does not substantially conform to the language and format prescribed by the comptroller.
TAXPAYER INJUNCTION	If a district has not complied with the published notice requirements in the FORM OF NOTICE described above, and the requirements for DISTRICTS WITH JULY 1 FISCAL YEAR below, if applicable, and the failure to comply was not in good faith, a person who owns taxable property in the district is entitled to an injunction restraining the collection of taxes by the district. An action to enjoin the collection of taxes must be filed before the date a district delivers substantially all of its tax bills.
DISTRICTS WITH JULY 1 FISCAL YEAR	A district with a fiscal year beginning July 1 may use the certified estimate of the taxable value of district property in preparing the published notice if the district does not receive the certified appraisal roll on or before June 7. A district that uses a certified estimate may adopt a budget at the public meeting designated in the published notice prepared using the estimate, but the district may not adopt a tax rate before the district receives the certified appraisal roll for the district.

After receipt of the certified appraisal roll, a district must publish a revised notice and hold another public meeting before the district may adopt a tax rate that exceeds:

1. The rate proposed in the notice prepared using the estimate; or
2. The district's rollback rate determined under Tax Code 26.08 using the certified appraisal roll.

DECREASE IN DEBT
SERVICE RATE

If the debt service rate calculated under Education Code 44.004(c)(5)(A)(ii)(b) decreases after the publication of the notice required by this section, the board president is not required to publish another notice or call another meeting to discuss and adopt the budget and the proposed lower tax rate.

Education Code 44.004

TAX RATE

Before the later of September 30 or the 60th day after the date the certified appraisal roll is received, a board shall adopt a tax rate for the current tax year that reflects the two components, maintenance and operations expenditures and the debt service rate calculated under Education Code 44.004(c)(5)(A)(ii)(b), and shall notify the assessor of the tax rate adopted. The two components shall be approved separately. *Tax Code 26.05(a)*

A board may not impose property taxes in any year until it has adopted a tax rate for that year, and the annual tax rate must be set by ordinance, resolution, or order. The vote on the ordinance, resolution, or order setting the tax rate must be separate from the vote adopting the budget. The vote on the ordinance, resolution, or order setting a tax rate that exceeds the sum of the district's effective maintenance and operations tax rate and the district's current debt rate must be a record vote, and at least 60 percent of the members of the board must vote in favor of the ordinance, resolution, or order. *Tax Code 26.05(b)*

The budget shall be adopted before the adoption of the tax rate. *Education Code 44.004(g)*

EXCEPTION

A district may adopt a budget after the district adopts a tax rate for the tax year in which the fiscal year covered by the budget begins if the district elects to adopt a tax rate before receiving the certified appraisal roll for the district. The board may adopt a tax rate for the current tax year before receipt of the certified appraisal roll if the chief appraiser of the appraisal district in which the district participates has, by April 30, certified to the assessor for the district an estimate of the taxable value of property in the school district as provided by Education Code 26.01(e). If a district adopts a tax rate before the adoption of the budget, the effective tax rate and the

EFFECTIVE TAX RATE

The vote on the ordinance setting a tax rate that exceeds the effective tax rate must be a record vote. A motion to adopt an ordinance setting a tax rate that exceeds the effective tax rate must be made in the following form: "I move that the property tax rate be increased by the adoption of a tax rate of (specify tax rate), which is effectively a (insert percentage by which the proposed tax rate exceeds the effective tax rate) percent increase in the tax rate."

MAINTENANCE AND
OPERATIONS TAX
RATE

If the ordinance sets a tax rate that, if applied to the total taxable value, will impose an amount of taxes to fund maintenance and operation expenditures of the taxing unit that exceeds the amount of taxes imposed for that purpose in the preceding year, a board must include in the ordinance in type larger than the type used in any other portion of the document the following statement: "THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE"; and if the tax rate exceeds the effective maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE EFFECTIVE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."

INTERNET POSTING

A district shall also include on the home page of any Internet website operated by the district the following statement: "(Insert name of unit) ADOPTED A TAX RATE THAT WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE"; and if the tax rate exceeds the effective maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE EFFECTIVE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."

APPROVAL OF PROPOSITION	<p>If a majority of votes cast in a district favor the proposition, the tax rate for the current year is the rate that was adopted by the board. SECTION III: PAYMENT OPTIONS

DISCOUNTS

A board may adopt one or both of the following discount options for early payment of district taxes. *Tax Code 31.05(a)*

OPTION 1

If a board adopts Option 1, the following apply regardless of the date on which a district mails its tax bills.

1. Three percent if the tax is paid in October or earlier.
2. Two percent if the tax is paid in November.
3. One percent if the tax is paid in December.

Tax Code 31.05(b)

2. Two percent if the tax is paid during the second full calendar month following the date on which the tax bills were mailed.
3. One percent if the tax is paid during the third full calendar month following the date on which the tax bills were mailed.

Tax Code 31.05(c)

If a board adopts both discount options, the discounts described at Option 1 apply unless a district mails its tax bills after September 30, in which case only the discounts described at Option 2 apply. *Tax Code 31.05(a)*

RESCISSION

The board may rescind a discount lawfully adopted by the board. The rescission of a discount takes effect in the tax year following the year in which the discount is rescinded. *Tax Code 31.05(d)*

A board may provide for split payment of taxes. If a person pays one-half of the taxes before December 1, he or she may pay the remaining one-half of the taxes without penalty or interest at any time before July 1 of the following year. TAX CEILING	A district shall not increase the total annual amount of ad valorem tax it imposes on the residence homestead of an individual 65 years of age or older, or on the residence homestead of an individual who is disabled as defined by Tax Code 11.13, above the amount of the tax it imposed in the first tax year in which the individual qualified that residence homestead for an applicable exemption. <i>Tax Code 11.26(a)</i>
IMPROVEMENTS	A district may increase the taxes if improvements are made to the property, but that tax amount is then frozen. <i>Tax Code 11.26(b)</i>
PORTABILITY OF TAX CEILING	If an individual subject to a limitation on tax increases subsequently qualifies a different residence for the residence homestead exemption, the tax limitation on the new residence is calculated to give the individual the same percentage of tax paid as the limitation on the former home in accordance with Tax Code 11.26(g). <i>Tax Code 11.26(g)</i>
SURVIVING SPOUSE OF PERSONS 65 OR OLDER	If an individual who qualifies for the exemption for an individual 65 years of age or older dies, the surviving spouse of the individual is entitled to the limitation applicable to the residence homestead of the individual if the surviving spouse is 55 years of age or older when the individual dies, and the residence homestead of the individual is the residence homestead of the surviving spouse on the date that the individual dies and remains the residence homestead of the surviving spouse. <i>Tax Code 11.26(i)</i>
HOMESTEADS RENDERED UNINHABITABLE OR UNUSABLE	If a qualified residential structure for which the owner receives a homestead exemption under Tax Code 11.13 is rendered uninhabitable or unusable by a casualty or by wind or water damage, the owner may continue to receive the exemption for the structure and the land and improvements used in the residential occupancy of the structure while the owner constructs a replacement qualified residential structure on the land in accordance with Tax Code 11.135 and 11.26(n)-(o) and 34 Administrative Code 9.416. <i>Tax Code 11.135, .26(n)-(o); 34 TAC 9.416</i>

A disabled veteran who receives from the U.S. Department of Veterans Affairs or its successor 100 percent disability compensation due to a service-connected disability and a rating of 100 percent disabled or of individual unemployability is entitled to an exemption from taxation of the total appraised value of the veteran's residence homestead. A person who qualifies for an exemption after January 1 of a tax year may receive the exemption for the applicable portion of that tax year immediately on qualification for the exemption. *Tax Code 11.131, .42(e)*

PARTIALLY
DISABLED WITH
DONATED

A disabled veteran who has a disability rating of less than 100 percent is entitled to an exemption from taxation of a percentage of the appraised value of the disabled veteran's residence homestead equal to the disabled veteran's disability rating if the residence homestead was donated to the disabled veteran by a charitable organization at no cost to the disabled veteran. An exemption is effective as of January 1 of the tax year in which the person qualifies for the exemption and applies to the entire tax year. *Tax Code 11.132, .42(c)*

EXEMPTION FOR
SURVIVING SPOUSE

The surviving spouse of a disabled veteran who qualified for an exemption when the veteran died, or of a disabled veteran who would have qualified for an exemption if it had been in effect on the date the veteran died, is entitled to the same exemption from taxation of the same property to which the disabled veteran's exemption applied or would have applied if:

1. The surviving spouse has not remarried since the death of the disabled veteran; and
2. The property:
 - a. Was the residence homestead of the surviving spouse when the disabled veteran died; and
 - b. Remains the residence homestead of the surviving spouse.

If a surviving spouse who qualifies for an exemption subsequently qualifies a different property as the surviving spouse's residence homestead, the surviving spouse is entitled to an exemption from taxation of the subsequently qualified homestead in an amount equal to the dollar amount of the exemption of the former homestead in the last year in which the surviving spouse received an exemption for that homestead if the surviving spouse has not remarried since the death of the disabled veteran.

Before acting to tax the exempt property, a board must conduct a public hearing as required by Texas Constitution Article VIII, Section 1-n(d). The goods-in-transit remain subject to taxation by a district until the board rescinds or repeals its previous action to tax goods-in-transit, or otherwise determines that the exemption will apply to that district.</p>

Notwithstanding official action that was taken before October 1, 2011, to tax goods-in-transit, a district may not tax such goods-in-transit in a tax year that begins on or after January 1, 2012, unless the board takes official action on or after October 1, 2011, to provide for the taxation of the goods-in-transit.

EXCEPTION

If the board, before October 1, 2011, took action to provide for the taxation of goods-in-transit and pledged the taxes imposed on the goods-in-transit for the payment of a debt of the district, the district tax officials may continue to impose the taxes against the goods-in-transit until the debt is discharged, if cessation of the imposition would impair the obligation of the contract by which the debt was created.

SECTION VI: ECONOMIC DEVELOPMENT

TAX INCREMENT
FINANCING ACT

The governing body of a municipality or county may designate a geographic area as a reinvestment zone to promote development or redevelopment of the area if the governing body determines that development or redevelopment would not occur solely through private investment in the reasonably foreseeable future, in accordance with the Tax Increment Financing Act, Tax Code Chapter 311. *Tax Code 311.003(a)*

BOARD OF

A board may appoint one member of the reinvestment zone's board of directors if the district has approved the payment of all or part of the tax increment produced by the district into the tax increment fund for the zone or may waive that right. *Tax Code 311.009(a)*

In certain reinvestment zones, a board may be entitled to appoint more than one member of the reinvestment zone's board of directors. *Tax Code 311.0091(a)–(b)*

When the reinvestment zone has been designated upon petition of property owners under Tax Code 311.005(a)(4), a board may appoint a member or members, as appropriate, of the reinvestment zone's board of directors only if it has approved the payment of all or part of the tax increment produced by a district into the tax increment fund for the zone. *Tax Code 311.009(b), .0091(c)*

COLLECTION AND
DEPOSIT OF TAX
INCREMENTS

A district shall provide for the collection of its taxes in the zone as for any other property tax and shall pay into the zone's tax increment fund the amount specified by law. Notwithstanding any termination of the reinvestment zone and unless otherwise specified by an agreement between the district and the municipality or county that created the zone, this payment shall be made no later than 90 days after the later of the delinquency date for district property

taxes or the date the municipality or county that created the zone submits to the district an invoice specifying the tax increment produced by the district and the amount the district is required to pay into the tax increment fund for the zone. A district is not required to pay the portion attributable to delinquent taxes until those taxes are collected. A district shall not be required to pay a tax increment into the zone's tax increment fund beyond three years from the date the zone was created, except as provided by law. *Tax Code 311.013*

A district is not required to pay into the tax increment fund any of its tax increment produced from a reinvestment zone created upon petition of property owners under Tax Code 311.005(a) unless it enters into an agreement to do so with the governing body of the municipality or county that designated the zone. *Tax Code 311.013(f)*

A district is not required to pay into the tax increment fund any of its tax increment produced from property located in an area added to a reinvestment zone under Tax Code 311.007 unless the board enters into an agreement to do so with the governing body of the municipality or county that created the zone. *Tax Code 311.013(k)*

A district that participates in a zone is not required to increase the percentage or amount of the tax increment to be contributed by the district because of an amendment to the project plan or reinvestment zone financing plan for the zone unless the board by official action approves the amendment. *Tax Code 311.011(g)*

A district whose taxable value is reduced under Government Code 403.302(d)(4) shall pay into the tax increment fund, in addition to the amount otherwise required to be paid, the amount by which the amount of taxes the district would have been required to pay into the fund in the current year if the district levied taxes at the rate the district levied in 2005 exceeds the amount the district is otherwise required to pay into the fund in the year of the reduction. This additional amount may not exceed the amount the district receives in state aid for the current tax year under Education Code 42.2514. The district shall pay the additional amount after the district receives the state aid to which the district is entitled for the current tax year under Education Code 42.2514. *Tax Code 311.013(n)*

Notwithstanding the designation of a later termination date under Tax Code 311.017(a), a district that taxes real property located in the reinvestment zone is not required to pay any of its tax increment into the tax increment fund for the zone after the termination date designated in the ordinance or order creating the zone unless the board enters into an agreement to do so with the governing

Each district must prepare and distribute an annual financial management report. The district's annual financial management report must include a description of the district's financial management performance based on a comparison, provided by TEA, of the district's performance on the indicators in 19 Administrative Code 109.1001.

Each district must provide the public with an opportunity to comment on the report at a hearing.

REPORT
REQUIREMENTS

The report shall contain information on state-established standards and a district's financial management performance under each indicator for the current and previous year's financial accountability ratings and any descriptive information required by the commissioner of education ("commissioner"), including:

1. A copy of a superintendent's current employment contract or other written documentation of employment if no contract exists. This must disclose all compensation and benefits paid to the superintendent. A district may publish the superintendent's employment contract on the district's website instead of publishing it in the annual financial management report;
2. A summary schedule for the fiscal year (12-month period) of expenditures paid on behalf of the superintendent and each board member and total reimbursements received by the superintendent and each board member. This includes transactions on a district's credit card(s), debit card(s), stored-value card(s), and any other similar instrument(s) to cover expenses incurred by the superintendent and each board member. The summary schedule must separately report reimbursements for meals, lodging, transportation, motor fuel, and other items. The summary schedule of total reimbursements should not

include reimbursements for supplies and materials that were purchased for the operation of the district;

3. A summary schedule for the fiscal year of the dollar amount of compensation and fees received by the superintendent from an outside school district or any other outside entity in exchange for professional consulting or other personal services. The schedule must separately report the amount received from each entity;
4. A summary schedule for the fiscal year of the total dollar amount of gifts that had a total economic value of \$250 or more received by the executive officers and board members. This reporting requirement applies only to:
 - a. Gifts received by a district's executive officers and board members (and their immediate family as described by Government Code, Chapter 573, Subchapter B, Relationships by Consanguinity or by Affinity) from an outside entity that received payments from the district in the prior fiscal year, and
 - b. Gifts from competing vendors that were not awarded contracts in the prior fiscal year.

This reporting requirement does not apply to reimbursement by an outside entity for travel-related expenses when the purpose of the travel was to investigate matters directly related to an executive officer's or board member's duties or to investigate matters related to attendance at education-related conferences and seminars with the primary purpose of providing continuing education; however, this exclusion does not apply to trips for entertainment purposes or pleasure trips. This reporting requirement excludes an individual gift or a series of gifts from a single outside entity that had a total economic value of less than \$250 per executive officer or board member;

5. A summary schedule for the fiscal year of the dollar amount received by board members for the total amount of business transactions with the district. This reporting requirement is not to duplicate the items disclosed in the summary schedule of reimbursements received by board members; and
6. Any other information the board of trustees of a district determines to be useful.

PUBLIC HEARING

A board must hold a public hearing on the report. The public hearing must be held in a district's facilities within two months after receiving a final financial accountability rating.

A board must give notice of the hearing to property owners in the geographic boundaries of the district and to parents of district students.

In addition to other notice required by law, the board must provide notice of the hearing to a newspaper of general circulation in the geographic boundaries of the district once a week for two weeks prior to holding the public meeting, providing the time and place of the hearing. The first notice in the newspaper may not be more than 30 days prior to the public meeting or less than 14 days prior to the public meeting. If no newspaper is published in the county in which a district's central administration office is located, then the board must publish the notice in the county nearest to the county seat of the county in which the district's central administration office is located.

The board must also provide notice of the hearing through electronic mail to mass communication media serving a district, including, but not limited to, radio and television.

At the hearing, the district must provide the annual financial management report to the attending parents and taxpayers. The district must retain the annual financial management report for at least three years after the public hearing and make it available to parents and taxpayers upon request.

CORRECTIVE ACTION
PLAN

Each district that received an F rating must file a corrective action plan with TEA, prepared in accordance with instructions from the commissioner, within one month after a district's public hearing.

PROJECTED DEFICIT

If the commissioner, based on the indicators adopted under Education Code 39.082 [see CFC], projects a deficit for a district general fund within the following three school years, TEA shall provide the district interim financial reports, including projected revenues and expenditures, to evaluate the district's current budget status.

TEA may require a district to submit additional information needed to produce a financial report. If a district fails to provide information requested or if the commissioner determines that the information submitted by a district is unreliable, the commissioner may order the district to acquire professional services under Education Code 39.109 [see AIC].

Education Code 39.0823

The annual financial audit report and state compensatory agreed-upon procedures report are due 150 days after the end of the fiscal year.

A district must hire at its own expense an independent auditor to conduct an independent audit of its financial statements and provide an opinion on its annual financial and compliance report.

The independent auditor must:

2. Be a certified public accountant with a current valid license issued by the Texas State Board of Public Accountancy, as required under Education Code 44.008; and
3. Adhere to the generally accepted auditing standards (GAAS), adopted by the American Institute of CPAs (AICPA), as amended, and the generally accepted government auditing standards (GAGAS), adopted by the U.S. Government Accountability Office, as amended.

FINANCIAL
ACCOUNTABILITY
RATING SYSTEM

TEA will assign a financial accountability rating to each district. The commissioner of education ("commissioner") will evaluate the rating system every three years and may modify the system to improve the effectiveness of the rating system. *Education Code 39.082; 19 TAC 109.1001(b), (c)*

DATA REVIEWED

TEA will use the following sources of data in calculating the financial accountability indicators for school districts:

1. Audited financial data in a district's annual financial report, the audited annual report required by Education Code 44.008.
2. PEIMS data submitted by a district.
3. Warrant holds as reported by the comptroller.

4. The average daily attendance (ADA) information used for foundation school program purposes for a district.

19 TAC 109.1001(d)

BASIS FOR RATING TEA will base the financial accountability rating of a district on its overall performance on the financial measurements, ratios, and other indicators established by the commissioner. Financial accountability ratings for a rating year are based on the data from the immediate prior fiscal year. *19 TAC 109.1001(e)*

TYPES OF RATINGS The types of financial accountability ratings a district may receive for the rating year 2015–16 and all subsequent rating years are A for superior achievement, B for above standard achievement, C for standard achievement, and F for substandard achievement.

The commissioner may lower a financial accountability rating based on the findings of an action conducted under Education Code, Chapter 39. A financial accountability rating remains in effect until replaced by a subsequent rating.

19 TAC 109.1001(h)–(j)

ISSUANCE OF RATINGS TEA will issue a preliminary financial accountability rating to a district on or before August 8 of each year. TEA will not delay the issuance of a preliminary or final rating if a district fails to meet the statutory deadline under Education Code 44.008 for submitting the annual financial report. Instead, the district will receive an F rating for substandard achievement.

If TEA receives an appeal of a preliminary rating under 19 Administrative Code 109.1001(l), TEA will issue a final rating to a district no later than 60 days after receiving the appeal. If TEA does not receive an appeal of a preliminary rating, the preliminary rating automatically becomes a final rating 31 days after issuance of a preliminary rating.

19 TAC 109.1001(k)

A final rating issued by TEA may not be appealed under Education Code 7.057 or any other law or rule. *19 TAC 109.1001(m)*

ANNUAL AUDIT OF DROPOUT RECORDS The commissioner shall develop a process for auditing district dropout records electronically. The commissioner shall also develop a system and standards for review of the audit or use systems already available at TEA. The system must be designed to identify districts that are at high risk of having inaccurate dropout records and that, as a result, require on-site monitoring of dropout records.

If the electronic audit of a district's dropout records indicates that the district is not at high risk of having inaccurate dropout records,

the district may not be subject to on-site monitoring. If the risk-based system indicates that a district is at high risk of having inaccurate dropout records, the district is entitled to an opportunity to respond to the commissioner's determination before on-site monitoring may be conducted. A district must respond not later than the 30th day after the date the commissioner notifies the district of the commissioner's determination. If a district's response does not change the commissioner's determination that the district is at high risk of having inaccurate dropout records or if the district does not respond in a timely manner, the commissioner shall order TEA staff to conduct on-site monitoring.

 - a. A felony under Penal Code Title 5;
 - b. An offense requiring registration as a sex offender under Code of Criminal Procedure Chapter 62; or
 - c. An offense under the laws of another state or federal law that is equivalent to an offense under paragraphs a or b; and
2. At the time the offense occurred, the victim of the offense was under 18 years of age or was enrolled in a public school.

EXCEPTION

However, a district is not required to discharge or refuse to hire an employee or applicant if the person committed an offense under Title 5, Penal Code and:

1. The date of the offense is more than 30 years before:

2. The employee or applicant for employment satisfied all terms of the court order entered on conviction.

CERTIFICATION TO SBEC Each school year, the superintendent shall certify to the commissioner of education ("commissioner") that the district has complied with the above provisions at DISCHARGE OF CONVICTED EMPLOYEES as required by Education Code 22.085.

SANCTIONS SBEC may impose a sanction on an educator who does not discharge an employee or refuse to hire an applicant if the educator knows or should have known, through a criminal history record information review, that the employee or applicant has been convicted of an offense described above.

SBEC may impose a sanction on a superintendent who falsely or inaccurately certified to the commissioner that the district had complied with Education Code 22.085. [See DISCHARGE OF CONVICTED EMPLOYEES, above]

OPTIONAL TERMINATION A district may discharge an employee if the district obtains information of the employee's conviction of a felony or misdemeanor involving moral turpitude that the employee did not disclose to SBEC or to the district. CONSUMER CREDIT REPORTS "Adverse action" includes a denial of employment or any other decision for employment purposes that adversely affects any current or prospective employee.

DEFINITIONS

"Consumer report" includes any information from a consumer reporting agency that is used or expected to be used as a factor in establishing the person's eligibility for employment.

"Consumer reporting agency" is an agency that, for monetary fees, dues, or on a cooperative nonprofit basis, regularly assembles or evaluates consumer credit information or other information on consumers for the purpose of furnishing consumer reports to third parties.

"Employment purposes" when used in connection with a consumer report means a report used for the purpose of evaluating a person

A district may not procure a consumer report for employment purposes unless:

1. The district has provided the applicant or employee a written disclosure that a consumer report may be obtained for employment purposes; and
2. The applicant or employee has authorized in writing the procurement of the consumer report.

ADVERSE ACTION

Before taking any adverse action based on the consumer report, a district shall provide the applicant or employee a copy of the consumer report and a written description of the person's rights under the Fair Credit Reporting Act, as prescribed by the Federal Trade Commission.

15 U.S.C. 1681b(b)(2)

Note: The following provisions apply to a district that uses consumer reports.

ADDRESS
DISCREPANCIES

"Notice of address discrepancy" means a notice sent to a user by a consumer reporting agency that informs the user of a substantial difference between the address for the consumer that the user provided to request the consumer report and the address(es) in the agency's file for the consumer.

A district must develop and implement reasonable policies and procedures designed to enable the district, when it receives a notice of address discrepancy, to form a reasonable belief that a consumer report relates to the consumer about whom it has requested the report.

If a district regularly and in the ordinary course of business furnishes information to the consumer reporting agency from which it received the notice of address discrepancy, the district must also develop and implement reasonable policies and procedures for furnishing an address for the consumer, which the district has reasonably confirmed is accurate, to the consumer reporting agency.

“Dispose” includes discarding or abandoning the consumer report, or selling, donating, or transferring any medium, including computer equipment, upon which the consumer report is stored.

Examples of reasonable measures include:

2. Destroying or erasing electronic media containing a consumer report so that the information cannot practicably be read or reconstructed; or
3. After due diligence, entering into and monitoring compliance with a contract with another party engaged in the business of record destruction to dispose of the consumer report.

RESIGNATION
WITHOUT CONSENT
(UNILATERAL
RESIGNATION)

An educator employed under a probationary contract for the following school year, or under a term or continuing contract, may relinquish the position and leave district employment at the end of the school year without penalty by filing a written resignation with a board or a board's designee not later than the 45th day before the first day of instruction of the following school year.

A written resignation mailed by prepaid certified or registered mail to a board president or a board's designee at the post office address of the district is considered filed at the time of mailing.

Education Code 21.105(a), .160(a), .210(a)

An unequivocal resignation filed not later than the 45th day before the first day of instruction of the following school year is effective upon filing with a district and the district cannot reject such a resignation. The resignation cannot be withdrawn by the teacher based on an argument that the district has not accepted the resignation. *Fantroy v. Dallas Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 034-R9-0206 (Mar. 5, 2009); Garcia v. Miles Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 055-RI-503 (Nov. 30, 2006).*

RESIGNATION WITH
CONSENT

The educator may resign, with the consent of the board or the board's designee, at any other time. *Education Code 21.105(b), .160(b), .210(b)*

SANCTIONS FOR
ABANDONMENT OF
CONTRACT

On written complaint by a district, the State Board for Educator Certification (SBEC) may impose sanctions against an educator who is employed under a probationary contract, or under a continuing or term contract, for the following school year, and who:

1. Resigns;
2. Fails without good cause to comply with the resignation deadline or the provision regarding resignation by consent; and
3. Fails without good cause to perform the contract.

Education Code 21.105(c), .160(c), .210(c)

Acceptance or approval of a resignation indicates consent to abandonment of contract. *Quitman Indep. Sch. Dist. v. Wilkerson, Tex. Comm'r of Educ. Decision No. 142-TTC-698 (Dec. 2, 1999); Houston Indep. Sch. Dist. v. Johnson, Tex. Comm'r of Educ. Decision No. 054-TTC-1196 (Sept. 28, 1998)*

SBEC shall not pursue sanctions against an educator who is alleged to have abandoned his or her contract unless a board:

1. Submits a written complaint within 30 calendar days after the effective date of the educator's separation from employment

from the district. Unless the district and the educator have a written agreement to the contrary, the effective date of separation from employment is the first day that, without district permission, the educator fails to appear for work under the contract.

2. Renders a finding that good cause did not exist under Education Code 21.105(c)(2) (probationary contract), 21.160(c)(2) (continuing contract), or 21.210(c)(2) (term contract). This finding constitutes prima facie evidence of the educator's lack of good cause but is not a conclusive determination.
3. Submits the following required attachments to the written complaint:
 - a. The educator's resignation letter, if any;
 - b. The agreement with the educator regarding the effective date of separation from employment, if any;
 - c. The educator's contract; and
 - d. Board meeting minutes indicating a finding of "no good cause." If the board does not meet within 30 calendar days of the educator's separation from employment, the minutes may be submitted within 10 calendar days after the next board meeting.

“Solicitation of a romantic relationship” means deliberate or repeated acts that can be reasonably interpreted as the solicitation by an educator of a relationship with a student that is romantic in nature. A romantic relationship is often characterized by a strong emotional or sexual attachment and/or patterns of exclusivity, but does not include appropriate educator-student relationships that arise out of legitimate contexts such as familial connections or longtime acquaintance. The following acts, considered in context, may constitute prima facie evidence of the solicitation by an educator of a romantic relationship with a student:

1. Behavior, gestures, expressions, or communications with a student that are unrelated to the educator’s job duties and evidence a romantic intent or interest in the student, including statements of love, affection, or attraction. Factors that may be considered in determining the romantic intent of such communications or behavior include:
 - a. The nature of the communications;
 - b. The timing of the communications;
 - c. The extent of the communications;
 - d. Whether the communications were made openly or secretly;

 - g. Any other evidence tending to show the context of the communications between educator and student.

If using a district-developed examination or an examination developed by another entity, prior to the first administration, a district must certify that the examination:

1. Covers all assessable Texas essential knowledge and skills for the course;
2. Has not been published and is not publicly available;
3. Will only be administered in a secure environment under standardized conditions by a school district or institution of higher education;
4. Has been externally validated;
5. Is equivalent to state level EOC assessment instruments in terms of content coverage, item difficulty, and technical quality;
6. Yields comparable results for all subgroups; and
7. If for a course that has a state level EOC assessment instrument, is validated against the applicable EOC assessment. For a course that is validated for this purpose, a school district must make public:
 - a. The test development process; and
 - b. The results of the validation efforts.

District-developed examinations for courses that do not have an EOC assessment shall meet all validation requirements at items 1–7 above no later than the 2018–19 school year for each examination offered for credit.

Examinations developed by Texas Tech University and The University of Texas at Austin for courses that do not have a state EOC assessment shall meet all requirements at items 1–7 above not later than the 2018–19 school year for each of its examinations offered for credit.

An EOC assessment administered under Education Code 39.023(c) cannot be used for purposes of credit by examination.

ANNUAL
ADMINISTRATION

A district shall administer each exam approved by the board not fewer than four times each year. A district must provide windows to test between January 1 and March 31, April 1 and June 30, July 1 and September 30, and October 1 and December 31, unless the exam's administration date is established by an entity other than the district. The days need not be consecutive but shall be designed to meet the needs of all students. The dates must be publicized in the community.

ALTERNATIVE METHODS FOR EARNING CREDIT
CREDIT BY EXAMINATION WITHOUT PRIOR INSTRUCTION

EHDC
(LEGAL)

A district may allow a student to accelerate at a time other than those described above by developing a cost-free option approved by the board that allows students to demonstrate academic achievement or proficiency in a subject or grade level.

STUDENTS WHO
ARE HOMELESS OR
IN SUBSTITUTE
CARE

A district shall provide opportunities for a student who is homeless or in substitute care who transfers to the district after the start of the school year to be administered credit by examination at any point during the school year.

LIMITATIONS ON
TAKING
EXAMINATIONS

A student may not attempt to earn credit by examination for a specific high school course more than two times.

If a student fails to earn credit by examination for a specific high school course before the beginning of the school year in which the student would ordinarily be required to enroll in that course in accordance with the district's prescribed course sequence, the student must satisfactorily complete the course to receive credit for the course.

FEES

A district shall not charge for examinations for acceleration. If a parent requests an alternative examination, the district may administer and recognize results of a test purchased by the parent or student from Texas Tech University or the University of Texas at Austin.

STATE ASSESSMENT
OF ACADEMIC SKILLS

Every student receiving instruction in the essential knowledge and skills shall take the appropriate criterion-referenced assessments, as required by Education Code Chapter 39, Subchapter B [see TESTING IN GRADES 3–8, below]. *Education Code 39.023(a), (c), (f); 19 TAC 101.5*

A student may not receive a high school diploma until the student has performed satisfactorily on end-of-course (EOC) assessment instruments [see END-OF-COURSE ASSESSMENTS, below]. *Education Code 39.025(a); 19 TAC 101.4001*

LIMITED ENGLISH
PROFICIENT
STUDENTS

In grades 3–12, a limited English proficient (LEP) student, as defined by Education Code Chapter 29, Subchapter B, shall participate in the state assessment in accordance with commissioner's rules at 19 Administrative Code Chapter 101, Subchapter AA. *Education Code 39.023(l), (m)* [See EKBA]

SPECIAL
EDUCATION

TEA shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student's admission, review, and dismissal (ARD) committee, including assessment instruments approved by the commissioner of education ("commissioner") that measure growth. The assessment instruments developed or adopted, including the assessment instruments approved by the commissioner, must, to the extent allowed under federal law, provide a district with options for the assessment of students.

TEA may not adopt a performance standard that indicates that a student's performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student's developmental level as determined by the student's ARD committee.

The student's ARD committee shall determine whether any allowable modification is necessary in administering to the student a required EOC assessment instrument under Education Code 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

Education Code 39.023(b)–(c), .025(a-4)

MILITARY
DEPENDENTS

If the student is a military dependent, the district shall accept:

1. Exit or EOC exams required for graduation from the sending state;

2. National norm-referenced achievement tests; or
3. Alternative testing, in lieu of testing requirements for graduation in the receiving state.

In the event the above alternatives cannot be accommodated by the receiving state for a military dependent transferring in his or her senior year, then a commissioner's substitute passing standard shall apply.

SUBSTITUTE
PASSING
STANDARD

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for achieving a score on an assessment instrument otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the tenth grade level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Education Code 162.002 art. VII, §§ B–C [See FDD]

ADMINISTRATION

A district shall follow the test administration procedures established by TEA in the applicable test administration materials. A superintendent shall be responsible for administering tests. *19 TAC 101.25, .27*

SCHEDULE

The commissioner shall specify the schedule for testing that is in compliance with Education Code 39.023(c-3)(1) and (2), and supports reliable and valid assessments. Participation in University Interscholastic League (UIL) area, regional, or state competitions is prohibited on any days on which testing is scheduled between Monday and Thursday of the school week in which the primary administration of assessment instruments occurs.

The commissioner may provide alternate dates for the administration of tests required for a high school diploma to students who are migratory children and who are out of the state.

19 TAC 101.25

ALTERNATE TEST
DATES

The commissioner shall consider requests from districts or campuses for alternate test dates on a case-by-case basis. Alternate test dates will only be allowed if the campus or district is closed on the day on which testing is scheduled or if there is an exceptional circumstance, defined below, that may affect a district's or cam-

pus's ability to administer an assessment or the students' performance on the assessment.

"Exceptional circumstances" include:

1. Inclement weather or natural disasters that would cause a district or campus to be closed or that would cause a small percentage of students to be in attendance on the day testing is scheduled;
2. Health epidemics that result in a large number of students being absent on the day of testing;
3. Death of a student or school official that may impact student performance; and
4. Sudden emergencies that occur on the day of testing or shortly before testing that may inhibit students from completing the assessments, such as a fire on campus, a bomb threat, an extended power outage, or a water main break.

If an alternate test date for primary test administration is approved, the commissioner may prohibit a district or campus from participating in UIL competition on the new test date if that is determined to be in the best interest of the district, campus, and students.

19 TAC 101.5003

NOTICE TO PARENTS
AND STUDENTS

A superintendent shall be responsible for providing written notice to each student and the student's parent or guardian of:

GRADE
ADVANCEMENT
TESTING

1. The testing requirements for grade advancement [see EIE] and the dates, times, and locations of testing.

Notice of testing requirements shall be provided no later than the beginning of the student's kindergarten year, for students attending kindergarten in the district, and no later than the beginning of the student's first-grade year for all other students. The superintendent shall also provide such notice for students in grades 1–8 who are new to the district.

GRADUATION
TESTING

2. The testing requirements for graduation and the dates, times, and locations of testing.

Notice of testing requirements shall be provided no later than the beginning of the student's seventh-grade year. The superintendent shall also provide such notice for students in grades 7–12 who are new to the district. Notice of the dates, times, and locations of testing shall be provided to each student who will take the tests and to out-of-school individuals.

19 TAC 101.3012

TESTING IN GRADES
3–8

Except as provided below, all students, other than students who are assessed under Education Code 39.023(b) (alternative assessment instrument) or 39.023(l) (LEP students) or exempted under Education Code 39.027, shall be assessed in:

1. Mathematics, annually in grades 3–7 without the aid of technology and in grade 8 with the aid of technology on any assessment instrument that includes algebra;
2. Reading, annually in grades 3–8;
3. Writing, including spelling and grammar, in grades 4 and 7;
4. Social studies in grade 8;
5. Science in grades 5 and 8; and
6. Any other subject and grade required by federal law.

Education Code 39.023(a)

EXCEPTION

Except as required for purposes of federal accountability, a student shall not be administered a grade-level assessment if the student:

1. Is enrolled in a course or subject intended for students above the student's enrolled grade level and will be administered a grade-level assessment instrument developed under the list above that aligns with the curriculum for that course or subject within the same content area; or
2. Is enrolled in a course for high school credit in a subject intended for students above the student's enrolled grade level and will be administered an EOC assessment instrument that aligns with the curriculum for that course or subject within the same content area.

A student is only eligible to take an assessment instrument intended for use above the student's enrolled grade if the student is receiving instruction in the entire curriculum for that subject.

A student in grade 5 or 8 described above may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument above the student's grade level.

Education Code 28.0211(p), 39.023(a-2); 19 TAC 101.3011

ACCOMMODATIONS

Testing accommodations are permitted for any student unless they would make a particular test invalid. Decisions regarding testing accommodations shall take into consideration the needs of the student and the accommodations the student routinely receives in classroom instruction. Permissible testing accommodations shall be described in the appropriate test administration materials.

The committee established by a board to determine the placement of students with dyslexia or related disorders shall determine whether any allowable modification is necessary in administering an assessment to such a student.

A student's ARD committee shall determine the allowable accommodations and shall document them in the student's individualized education program (IEP). [See SPECIAL EDUCATION, above]

END-OF-COURSE
ASSESSMENTS

Beginning with students first enrolled in grade 9 in the 2011–12 school year, a student enrolled in a course for which an EOC assessment exists as required by Education 39.023(c) shall take the appropriate assessment. *19 TAC 101.3021(a)*

STUDENTS
ENROLLED BELOW
HIGH SCHOOL
LEVEL

Beginning in the 2011–12 school year, a student in grade 8 or lower who takes a high school course for credit is required to take the applicable EOC assessment. The EOC assessment result shall be applied toward the student's assessment graduation requirements, as specified in 19 Administrative Code 101.3022. *19 TAC 101.3021(d)*

ASSESSMENT
REQUIREMENTS
FOR GRADUATION

A student must meet satisfactory performance on an EOC assessment listed in Education Code 39.023(c) only for a course in which the student is enrolled and for which an EOC assessment instrument is administered in order to be eligible to receive a Texas diploma.

EXCEPTIONS
ENGLISH I OR
ENGLISH II

A student who was administered separate reading and writing EOC assessments under Education Code 39.023(c), for the English I or English II course has met that course's assessment graduation requirement if the student has:

1. Achieved satisfactory performance on either the reading or writing EOC assessment for that course;
2. Met at least the minimum score on the other EOC assessment for that course; and
3. Achieved an overall scale score of 3750 or greater when the scale scores for reading and writing are combined for that course.

Exceptions related to English I also apply to English language learners who meet the criteria in 19 Administrative Code 101.1007. [See EKBA]

CREDITS
EARNED
PRIOR TO
ENROLLMENT

If a student earned high school credit for a course with an EOC assessment prior to enrollment in a Texas public school district and the credit has been accepted by a Texas public school district, or a student completed a course for Texas high school credit in a course with an EOC assessment prior to the 2011–12 spring administration, the student is not required to take the corresponding EOC assessment.

19 TAC 101.3021(e), .3022

SUBSTITUTE
ASSESSMENTS

A student may use certain assessments as substitute assessments in place of an EOC assessment, to meet the student's assessment graduation requirements in accordance with the commissioner's chart at 19 Administrative Code 101.4002(b). An approved substitute assessment may be used in place of only one specific EOC assessment.

A student is eligible to use a substitute assessment if the student:

1. Was administered an approved substitute assessment for an equivalent course in which the student was enrolled;
2. Received a satisfactory score on the substitute assessment as determined by the commissioner and provided in the chart at 19 Administrative Code 101.4002(b); and
3. Using a Texas Success Initiative (TSI) assessment also meets the following criteria:
 - a. A student must have been enrolled in a college preparatory course for English language arts or mathematics and, in accordance with Education Code 39.025(a-1), have been administered an appropriate TSI assessment at the end of that course.
 - (1) A student under this provision who meets all TSI English language arts score requirements provided in the chart at 19 Administrative Code 101.4002(b) satisfies both the English I and English II EOC assessment graduation requirements.
 - (2) A student under this provision may satisfy an assessment graduation requirement in such a manner regardless of previous performance on an Algebra I, English I, or English II EOC assessment.
 - b. In accordance with Education Code 39.025(a-3), a student who did not meet satisfactory performance on the Algebra I or English II EOC assessment after retaking

the assessment may use the corresponding TSI assessment in place of that EOC assessment.

- (1) For a student under this provision who took separate reading and writing assessments for the English II EOC assessment and who did not meet the English II assessment graduation requirement using those tests as specified in 19 Administrative Code 101.3022(b) (relating to Assessment Requirements for Graduation), the separate TSI reading or writing assessment may not be used to substitute for the corresponding English II reading or writing EOC assessment.
- (2) The provisions of this paragraph expire September 1, 2017. A student may meet the assessment graduation requirements under this provision using the TSI if the student has met the necessary score requirements as specified in the chart at 19 Administrative Code 101.4002(b) prior to September 1, 2017.

A student electing to substitute an assessment for graduation purposes must still take the required EOC assessment if the student does not meet the eligibility requirements above.

A student who fails to perform satisfactorily on the PSAT or the ACT-PLAN as indicated in the chart at 19 Administrative Code 101.4002(b) must take the appropriate EOC assessment to meet the assessment graduation requirements for that subject.

VERIFICATION OF RESULTS

An eligible student is responsible for providing a district an official copy of the student's scores from the substitute assessment.

Upon receipt of official results of an approved substitute assessment, a district must:

1. Verify the student's score on the substitute assessment; and
2. Determine whether the student met the performance standard required to qualify for a public high school diploma in Texas as established by the commissioner.

19 TAC 101.4002, .4005

SATISFACTORY PERFORMANCE

A student is required to achieve a scale score that indicates satisfactory performance, as determined by the commissioner on each EOC assessment instrument administered to the student. *Education Code 39.025(a)*

INDIVIDUAL
GRADUATION
COMMITTEE

A student in grade 11 or 12 who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses may qualify to graduate on the basis of a review by an individual graduation committee (IGC). [See EIF]

Starting with the 2014-15 school year, a student who has taken but failed to achieve the EOC assessment graduation requirements for no more than two courses may receive a Texas high school diploma if the student has qualified to graduate by means of an IGC under Education Code 28.0258.

A student may not graduate under an IGC if the student did not take each required EOC assessment or an approved substitute assessment for each course in which the student was enrolled in a Texas public school for which there is an EOC assessment. A district shall determine whether the student took each required EOC assessment or an approved substitute assessment. Under this provision, a student who does not make an attempt to take all required EOC assessments may not qualify to graduate by means of an IGC.

ENGLISH
LANGUAGE
LEARNERS

A student who is an English language learner (ELL) and qualifies for the English I special provision in 19 Administrative Code 101.1007 [see EKBA] may graduate without an IGC if the student achieves satisfactory performance on the remaining EOC assessments that the student is required to take.

The qualifying ELL becomes eligible for IGC review by failing to achieve satisfactory performance on the English I EOC assessment and one other EOC assessment or by failing to achieve satisfactory performance on no more than two of the remaining EOC assessments if the student achieved satisfactory performance on the English I EOC assessment.

If a qualifying ELL does graduate by means of an IGC, the student is required to complete IGC requirements for each course in which the student did not achieve satisfactory performance on the EOC assessment for that course.

RETAKES

Notwithstanding any action taken by a student's IGC, a district must provide a student an opportunity to retake an EOC assessment under Education Code 39.023(c), if the student has not previously achieved satisfactory performance on an assessment for that course. A student is not required to retake a course in order to be administered a retest of an EOC assessment.

APPLICATION
AND EXPIRATION

This provision only applies to a student classified by the district as an 11th or 12th grade student in the 2014–15, 2015–16, or 2016–17 school year.

This provision expires September 1, 2017. A student may graduate by means of an IGC if the student has qualified for an IGC under Education Code 28.0258 and that IGC convened prior to September 1, 2017.

Education Code 28.0258, 39.025(a-2); 19 TAC 101.3022(e)

SPECIAL
EDUCATION

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258. As provided in 19 Administrative Code 89.1070 (relating to Graduation Requirements) and 19 Administrative Code 101.3023 (relating to Participation and Graduation Assessment Requirements for Students Receiving Special Education Services), a student's ARD committee determines whether a student is required to achieve satisfactory performance on an EOC assessment to graduate.

A student dismissed from a special education program who achieved satisfactory performance on an alternate EOC assessment while enrolled in a special education program is not required to take and achieve satisfactory performance on the general EOC assessment to graduate. A student who took an EOC assessment while enrolled in a special education program is not required to re-take and achieve satisfactory performance on the EOC assessment if the student's ARD committee determined that the student was not required to achieve satisfactory performance on the EOC assessment to graduate. A student dismissed from a special education program must achieve satisfactory performance on any remaining EOC assessments that the student is required to take. If the student fails to achieve satisfactory performance on no more than two of the remaining EOC assessments, the student is eligible for IGC review under Education Code 28.0258 and is subject to the IGC provisions above. [See INDIVIDUAL GRADUATION COMMITTEE, above]

19 TAC 101.3022(f)

A student receiving special education services who successfully completes the requirements of his or her IEP, including performance on a state assessment required for graduation, shall receive a Texas high school diploma. A student's ARD committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation.

Beginning with the 2011–12 school year, all grades 9–12 students with significant cognitive disabilities who are assessed with an al-

ternate assessment as specified in the student's IEP will be assessed using alternate versions of EOC assessments as listed in 19 Administrative Code 101.3011(b)(2).

A student who is receiving special education services and who is first enrolled in grade 9 or below in the 2011–12 school year shall be administered an EOC assessment instrument upon completion of the corresponding course as required by the student's IEP.

CREDIT BY EXAMINATION	An EOC assessment administered under Education Code 39.023(c) cannot be used for purposes of credit by examination under 19 Administrative Code 74.24. [See EHDB, EHDC] <i>19 TAC 101.3021(c)</i>
ADDITIONAL STATE ASSESSMENTS	TEA may adopt EOC assessment instruments for courses not listed in statute, as described above. A student's performance on these EOC assessment instruments is not subject to the performance requirements established for the statutory assessments. <i>Education Code 39.023(c-2)</i>
RETAKES	<p>Each time an EOC assessment instrument is administered, a student who failed to achieve a score requirement may retake the assessment instrument. [See SATISFACTORY PERFORMANCE, above]</p> <p>A student is not required to retake a course as a condition of retaking an EOC assessment instrument.</p> <p>If a student failed a course but achieved satisfactory performance on the applicable EOC assessment, that student is not required to retake the assessment if the student is required to retake the course.</p> <p><i>Education Code 39.025(b); 19 TAC 101.3021(f), .3022(d)</i></p>
REPORTING RESULTS TO THE PUBLIC	Overall student performance data, aggregated by ethnicity, sex, grade level, subject area, campus, and district, shall be made available to the public, with appropriate interpretations, at regularly scheduled meetings of a board, after receipt from TEA. The information shall not contain the names of individual students or teachers. <i>Education Code 39.030(b)</i>
TO THE BOARD	A superintendent shall accurately report all test results with appropriate interpretations to a board according to the schedule in the applicable test administration materials.
TO PARENTS, STUDENTS, AND TEACHERS	A district shall notify each of its students, his or her parent or guardian, and his or her teacher for that subject of test results, observing confidentiality requirements stated at CONFIDENTIALITY,

below. All test results shall be included in each student's academic achievement record and shall be furnished for each student transferring to another district or school. Upon receipt of the assessment results from the test contractor, a district shall disclose a student's assessment results to a student's teacher in the same subject area as the assessment for that school year. [See BQ series, FD, and FL]

19 TAC 101.3014; No Child Left Behind Act, 20 U.S.C. 6311(h)(6)

TEA shall adopt a series of questions to be included in an EOC assessment instrument administered under Education Code 39.023(c) to be used for purposes of identifying students who are likely to succeed in an advanced high school course. A district shall notify a student who performs at a high level on the questions and the student's parent or guardian of the student's performance and potential to succeed in an advanced high school course. A district may not require a student to perform at a particular level on the questions to be eligible to enroll in an advanced high school course. *Education Code 39.0233(b)*

PARENTAL ACCESS

A parent is entitled to access to a copy of each state assessment instrument administered to the parent's child. This right of access does not apply, however, to those instruments or particular questions that are being field-tested by TEA. *Education Code 26.005, .006(a)(2)*

OUT-OF-STATE
TRANSFERS

A district shall accurately report to TEA whether that student transferred into the district from out of state during the current school year.

Procedures for the reporting of out-of-state-transfer students to TEA shall be established in the applicable test administration materials. A district shall follow procedures specified in those test administration materials.

The assessment results of the out-of-state transfer students shall be reported separately to districts from the results of the district's other students in addition to the current reporting of assessment results for all students and other student subsets.

19 TAC 101.3014

FURTHER
INSTRUCTION
ACCELERATED
INSTRUCTION

Each time a student fails to perform satisfactorily on an assessment instrument administered under Education Code 39.023(a) in the third, fourth, fifth, sixth, seventh, or eighth grade, the school district in which the student attends school shall provide to the student accelerated instruction in the applicable subject area. Accelerated instruction may require participation of the student before or after normal school hours and may include participation at times of

the year outside normal school operations. *Education Code 28.0211(a-1)*

A district shall provide each student who fails to perform satisfactorily on an EOC assessment instrument with accelerated instruction in the subject assessed by the assessment instrument. *Education Code 39.025(b-1)* [See EHBC]

COLLEGE
READINESS

Each district shall partner with at least one institution of higher education to develop and provide courses in college preparatory mathematics and English language arts. The courses must be designed:

1. For students at the twelfth grade level whose performance on:
 - a. An EOC assessment instrument required under Education Code 39.023(c) does not meet college readiness standards; or
 - b. Coursework, a college entrance examination, or an assessment instrument designated under Education Code 51.3062(c) indicates that the student is not ready to perform entry-level college coursework; and
2. To prepare students for success in entry-level college courses.

A course must be provided on the campus of the high school offering the course or through distance learning or as an online course provided through the institution of higher education with which the district partners.

FACULTY

Appropriate faculty of each high school offering courses and appropriate faculty of each institution of higher education with which the district partners shall meet regularly as necessary to ensure that each course is aligned with college readiness expectations.

NOTICE

DISABILITY
DISCRIMINATION
ADA

Under the Americans with Disabilities Act (ADA), no qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of a district, or be subjected to discrimination by the district. *42 U.S.C.A. 12132; 28 C.F.R. 35.130*

SECTION 504

Under Section 504 of the Rehabilitation Act, no otherwise qualified individual with a disability shall, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. *29 U.S.C.A. 794(a)*

DEFINITIONS
"STUDENT WITH A
DISABILITY"

A "student with a disability" is one who has a physical or mental impairment that substantially limits one or more of the student's major life activities, has a record of having such an impairment, or is being regarded as having such an impairment.

The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures, such as medication, medical supplies, low-vision devices (which do not include ordinary eyeglasses or contact lenses), prosthetics, hearing aids, mobility devices, oxygen therapy, assistive technology, or learned behavioral or adaptive neurological modifications.

An impairment that substantially limits one major life activity need not limit other major life activities in order to be considered a disability. An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.

A student meets the requirement of being "regarded as" having an impairment if the student establishes that he or she has been subjected to a prohibited action because of an actual or perceived physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity. This provision does not apply to impairments that are transitory or minor. A transitory im-

pairment is one with an actual or expected duration of 6 months or less.

29 U.S.C. 705(20)(B), 42 U.S.C. 12102(1), (3)–(4)

“QUALIFIED
INDIVIDUAL WITH
A DISABILITY”

The term “qualified individual with a disability” means an individual with a disability who, with or without reasonable modifications to rules, policies, or practices, the removal of architectural, communication, or transportation barriers, or the provision of auxiliary aids and services, meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by a district. *42 U.S.C. 12131(2)*

“MAJOR LIFE
ACTIVITIES”

“Major life activities” include caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. “Major life activity” also includes the operation of major bodily functions, including functions of the immune system, normal cell growth, and digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions. *42 U.S.C. 12102(2)*

REASONABLE
MODIFICATION

A district shall make reasonable modifications in policies, practices, or procedures when the modifications are necessary to avoid discrimination on the basis of disability, unless the district can demonstrate that making the modifications would fundamentally alter the nature of the service, program, or activity. *28 C.F.R. 35.130(b)(7)*

DIRECT THREAT

“Direct threat” means a significant risk to the health or safety of others that cannot be eliminated by a modification of policies, practices or procedures, or by the provision of auxiliary aids or services as provided below. *28 C.F.R. 35.104*

The ADA does not require a district to permit an individual to participate in or benefit from the services, programs, or activities of that district when that individual poses a direct threat to the health or safety of others.

In determining whether an individual poses a direct threat to the health or safety of others, a district must make an individualized assessment, based on reasonable judgment that relies on current medical knowledge or on the best available objective evidence, to ascertain:

1. The nature, duration, and severity of the risk;
2. The probability that the potential injury will actually occur; and

3. Whether reasonable modifications of policies, practices, or procedures or the provision of auxiliary aids or services will mitigate the risk.

28 C.F.R. 35.139

FREE APPROPRIATE
PUBLIC EDUCATION
(FAPE)

A district shall provide a free appropriate public education to each qualified student with a disability within the district's jurisdiction, regardless of the nature or severity of the student's disability.

A student with a disability is "qualified" if he or she is between the ages of three and 21, inclusive. *28 C.F.R. 35.104(l)(2)*

An appropriate education is the provision of regular or special education and related services that are:

1. Designed to meet the student's individual educational needs as adequately as the needs of students who do not have disabilities are met; and
2. Based on adherence to procedures that satisfy federal requirements for educational setting, evaluation and placement, and procedural safeguards, as set forth below.

34 C.F.R. 104.33(b)

Implementation of an individualized education program (IEP) under IDEA is one means for providing FAPE. *34 C.F.R. 104.33(b)(2)*

Note: See EHBA series for policies regarding the provision of special education to students with disabilities under IDEA who require special education in order to benefit from a free appropriate public education.

EDUCATIONAL
SETTING

A district shall place a student with a disability in the regular educational environment, unless the district demonstrates that education in the regular environment with the use of supplemental aids and services cannot be achieved satisfactorily. *34 C.F.R. 104.34(a)*

In providing or arranging for nonacademic and extracurricular services and activities, a district shall ensure that a student with a disability participates with students who do not have disabilities to the maximum extent appropriate to the needs of the student with a disability. *34 C.F.R. 104.34(b), 104.37*

EVALUATION AND
PLACEMENT

A district shall conduct an evaluation of any person who, because of disability, needs or is believed to need special education or related services before taking any action with respect to the initial placement of the person in regular or special education and any subsequent significant change in placement.

EVALUATION
PROCEDURES

A district shall establish standards and procedures for the evaluation and placement which ensure that:

1. Tests and other evaluation materials have been validated for the specific purpose for which they are used and are administered by trained personnel in conformance with the instructions provided by their producer;
2. Tests and other evaluation materials include those tailored to assess specific areas of educational need and not merely those which are designed to provide a single general intelligence quotient; and
3. Tests are selected and administered so as best to ensure that, when a test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

PLACEMENT
PROCEDURES

In interpreting evaluation data and in making placement decisions, a district shall:

1. Draw upon information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical condition, social and cultural background, and adaptive behavior;
2. Establish procedures to ensure that information obtained from all such sources is documented and carefully considered;
3. Ensure that the placement decision is made by a group of persons, including persons knowledgeable about the child, the meaning of the evaluation data, and the placement options; and
4. Ensure that the placement decision is made in conformity with 34 C.F.R. 104.34.

REEVALUATION

A district shall establish procedures for periodic reevaluation of students who have been provided special education and related services. A reevaluation procedure consistent with the Education for the Handicapped Act [now IDEA] is one means of meeting this requirement.

34 C.F.R. 104.35

This does not preclude the district from performing subsequent evaluations to ensure appropriate placement of the student. *Education Code 162.002 art. V, § C* [See FDD]

PROCEDURAL
SAFEGUARDS

A district shall establish a system of procedural safeguards with respect to the identification, evaluation, and educational placement of persons who need or are believed to need special instruction or related services.

The system shall include notice, an opportunity for the student's parent or guardian to examine relevant records, an impartial hearing with the opportunity for participation by the student's parents or guardian and representation by counsel, and a review procedure. Compliance with the procedural safeguards of IDEA is one means of meeting this requirement. *34 C.F.R. 104.36*

HOMELESS CHILDREN

A district shall adopt policies and practices to ensure that homeless children are not stigmatized or segregated on the basis of their homeless status. [See FDC]

LIAISON

A district shall designate an appropriate staff person as the district liaison for homeless children. A district shall inform school personnel, service providers, and advocates working with homeless families of the duties of the liaison. [See FFC]

No Child Left Behind Act of 2001, 42 U.S.C. 11432(g)(1)(J)(i), (ii)

RELIGIOUS FREEDOM

A district may not substantially burden a student's free exercise of religion, unless the burden is in furtherance of a compelling governmental interest and is the least restrictive means of furthering that interest. *Civ. Prac. & Rem. Code 110.003* [See also DAA and GA]

DISCRIMINATION ON

No person in the United States shall, on the basis of sex, be excluded from participation in, denied the benefits of, or be subjected to discrimination by any district receiving federal financial assistance. *20 U.S.C. 1681(a)*

A district shall not provide any course or otherwise carry out any of its educational programs or activities separately on the basis of sex, or require or refuse participation therein on the basis of sex, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses. *34 C.F.R. 106.34*

CONTACT SPORTS	A district may separate students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact. <i>34 C.F.R. 106.34</i>
ATHLETIC PROGRAMS	A district shall not discriminate, on the basis of sex, in interscholastic or intramural athletics or provide any such athletics separately on such basis.
SINGLE-SEX TEAMS	A district may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but not for members of the other sex, and ath-

letic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try-out for the team offered unless the sport involved is a contact sport.

EQUAL ATHLETIC
OPPORTUNITIES

A district that operates or sponsors interscholastic or intramural athletics shall provide equal athletic opportunity for members of both sexes. The following factors shall be considered in determining whether a district provides equal athletic opportunities:

The student ID number or other unique personal identifier that is displayed on a student ID badge cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user.

FORMER
STUDENTS

A district may disclose directory information about former students without satisfying the public notice conditions above. However, the district must continue to honor any valid request to opt out of the disclosure of directory information made while a student was in attendance unless the student rescinds the opt-out request.
