Land of the Free Because of the Brave!

veterans Day!

Ever wonder why Veterans Day is on the 11th
and does not change?

World War 1 ended on the 11th month,
on the 11th day, on the 11th hour.

Do you know what is the significance of the poppy?
The poppy should be worn on your right side; the red represents
the blood of all those who gave their lives, the black
represents the mourning of those who didn't have their
loved ones return home, and the green leaf represents the grass
and crops growing and the future prosperity after the war
destroyed so much. The leaf should be positioned at 11 o'clock to
represent the 11th hour of the 11th day of the 11th month,
the time that World War 1 formally ended.
