

APRIL

Greetings Evergreen Families,

April is a full month, there are no extra days off. April ushers in state testing for our 3rd and 4th graders. It is so important for your child's attendance to be strong this month. Rigor in general in all classrooms steps up, as the skills they have been building all year are now being applied to more complex concepts. We appreciate you working to get your child here every day and on time. This month also sees the close to quarter three. Parent Teacher Conferences are this month. Please be watching Parent Square as sign ups will be digital this time.

This year we had 5 participants in our District's Annual Science Fair, with two taking first place in their division. Congratulations Hannah and Henry Murray. A special thank you to Chris Green for overseeing our students, and to Mackayla Kirkman, Alexander Lake, and Kennedy Murray for representing Evergreen so well.

With daylight savings behind us, I look forward to more hours of sunlight. This extra daylight offers students and their families time to get outside together. Send your pictures to us at jenny.jones@threerivers.k12.or.us if you would like to share them on our media pages.

Sincerely,
Jenny Jones
Principal

Congratulations to our Read-a-Thon Winners: Olivia Howard, who raised the most donations and read the most minutes! Bodhi Pascual, Aaliyah Pratt, Toby Garman, and Ryder Hanson.

Congratulations to Hank and Hannah Murray for winning 1st place in their science fair divisions.

This Month

- April 10th PTO 3 PM
- April 17th Site Council 2:30 PM
- **SPRING PICTURES: Tuesday April 4th**
- **Conference sign ups will be digital this quarter. Watch parent square.**
