#### **Acceptance of Gifts from School Organizations**

The Board of Education accepts gifts “from any education foundation or other entity or individual, provided the gift can be used in a manner compatible with the Board’s educational objectives and policies”. The purpose of this policy is to recognize the significant role played by SCO’s and boosters in providing a value-added experience for children, and to help these organizations comply with appropriate purchasing procedures and to have the resources of the District 161 business office available for any disputes with vendors.

We recommend that you approve the gifts to Summit Hill students from the various organizations.

#### ***Recommended Motion:***
