## **PRESSPlus Comments**

PRESSPlus 1. 105 ILCS 5/22-96, added by P.A. 103-46 and amended by P.A. 103-564, requires school districts, when hiring or assigning educators for physical education, music, or visual arts, to prioritize the hiring or assigning of educators who hold an educator license and endorsement in those areas. The law also requires educators in these areas to obtain short-term approval if they are not licensed in the content area, or, if no short-term approval is available, they must meet criteria specified by the Ill. State Board of Education (ISBE). Educators must obtain an endorsement in the area being taught prior to the end of the short-term approval period to continue to maintain the educator's employment for subsequent school years. In the alternative, educators do not need to be licensed, obtain short-term approval, or meet other ISBE requirements if they meet the requirements of Title 23 of the Illinois Administrative Code except for Section 1.710. **Issue 115, June 2024**

### Vacancies on the Board of Education - Filling Vacancies

#### 2:70-E Exhibit - Checklist for Filling Board Vacancies by Appointment

The Board of Education fills a vacancy by either appointment or election. The Board uses this checklist for guidance when it must fill a vacancy by appointment. Some items contain guidelines along with explanations. For more information, see *Answers to FAQs: Vacancies on the Board of Education*, published by a committee of the Ill. Council of School Attorneys (ICSA), and available at: [www.iasb.com/law/vacancies.cfm](http://www.iasb.com/law/vacancies.cfm). [PRESSPlus1](#)

Confirm that the Board must fill the vacancy by appointment.

| Review Board policy 2:70, <i>Vacancies on the School Board - Filling Vacancies</i> , to determine if a vacancy on the Board occurred and, if so, whether the successor will be selected by election or Board appointment. Consult the Board Attorney as needed. | Filling a vacancy by Board appointment or election depends upon when the vacancy occurred. If a vacancy occurs with less than: (1) 868 days remaining in the term of office, or (2) 88 days before the next regularly scheduled election for the vacant office, no election to fill the vacancy is held and the appointee serves the remainder of the term. At all other times, an appointee serves until the next regular school election, at which election a successor is elected to serve the remainder of the unexpired term. See 105 ILCS 5/10-10. |
| In the event a seat on the board goes unfilled at an election, consult the Board Attorney to determine (1) how long the seat can be <i>held over</i> by the incumbent member, and (2) the process by which the Board will fill the seat.                        | The School Code partially addresses the concept of a <i>holdover seat</i> ; it states “no elective office...becomes vacant until the successor of the incumbent of such office has been appointed or elected, as the case may be, and qualified.” 105 ILCS 5/10-11.                                                                                                                                                                                                                                                                                      |

Notify the Regional Superintendent of the vacancy within five days of its occurrence (105 ILCS 5/10-10).

Develop a list of qualifications for appointment of a person to fill the vacancy.

## General Personnel

### **5:180 Temporary Illness or Temporary Incapacity**

A temporary illness or temporary incapacity is an illness or other capacity of ill-being that renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits. However, income received from other sources (worker's compensation, District-paid insurance programs, etc.) will be deducted from the District's compensation liability to the employee. The Board of Education's intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of their gross salary. [PRESSPlus1](#)

Those insurance plans privately purchased by the employee and to which the District does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes a teacher or other licensed employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive work days, such absence may be considered a permanent disability and the Board may begin dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act. The Superintendent may recommend this paragraph's use when circumstances strongly suggest that the teacher or other licensed employee returned to work intermittently in order to avoid this paragraph's application. This paragraph shall not be considered a limitation on the Board's authority to take any action concerning an employee that is authorized by State and federal law.

Any employee may be required to have an examination, at the District's expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant if the examination is job-related and consistent with business necessity.

## Educational Support Personnel

### **5:290 Employment Termination and Suspensions**

#### Resignation and Retirement[PRESSPlus1](#)

An employee is requested to provide two weeks' notice of a resignation. A resignation notice cannot be revoked once given. An employee planning to retire should notify his or her supervisor at least two months before the retirement date.

#### Non-RIF Dismissal

The District may terminate an at-will employee at any time for any or no reason, but not for a reason prohibited by State or federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Superintendent is responsible for making dismissal recommendations to the School Board consistent with the Board's goal of having a highly qualified, high performing staff. This includes recommending a non-licensed employee for immediate dismissal for willful or negligent failure to report an instance of suspected child abuse or neglect as required by 325 ILCS 5/.

#### Reduction in Force and Recall

The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

#### Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

#### Suspension

Except as provided below, the Superintendent is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct or pending a dismissal

hearing whenever, in the Superintendent's judgment, the employee's presence is detrimental to the District. A disciplinary suspension shall be with pay: (1) when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees. Upon receipt of a recommendation from the Ill. Dept. Children and Family Services (DCFS) that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with the District, the Board or Superintendent or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended, proceeding with:
  - a. A suspension with pay; or
  - b. A suspension without pay.

### 5:310 Compensatory Time-Off

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, 29 U.S.C. §201 et seq., and (2) are not represented by an exclusive bargaining representative. [PRESSPlus1](#)

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operations. The employee's supervisor must approve a request to use compensatory time-off. Earned compensatory time-off must be used within 365 days of when its earned.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

#### Implementation

The Superintendent or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.
