Life skills, Independence, Networking and Knowledge for Adults with Disabilities

Positive Happenings October 2013

Link offers social, recreational and educational opportunities for adults with disabilities. A variety of activities are offered each quarter to enrich the lives of LINK participants and help them to be active and engaged members of the community.

Upcoming activities include:

- Science Museum
- Costume Party
- Bowling
- Arts and Crafts
- Game Night
- Holiday Party

When asked why they liked LINK participants, caregivers and staff said:

Mark: "I like socializing."

Judy: "Because it's fun!"

Jody (Bridget's mom):

"Since Bridget's not in school anymore this is a great way for her to get out and meet with friends. She loves coming and looks forward to it."

Community Education Staff Jeni Route:

"I feel it's a place where they can get together, hang out, have fun, and be safe! I, as staff, really enjoy every event and it doesn't ever feel like *work*."
