Northome Principal's Report: The mindset of the month for March is growth. A growth mindset is the belief that abilities and intelligence can be developed through dedication, effort, and learning from mistakes. In school and life, this mindset encourages us to see challenges as opportunities for growth rather than obstacles. It helps us embrace setbacks as part of the learning process and motivates us to keep improving, even when things get tough. With a growth mindset, we understand that success comes from persistence and hard work, not just innate talent. This attitude not only boosts our academic achievements but also strengthens our resilience in facing life's challenges. With MCA's around the corner, it is important to focus on having a growth mindset and doing our best! MCA's will officially start on April 3rd and continue through May 2nd. We are asking for parents to encourage their child(ren) to approach the assessments with confidence, and know that we are here to support them throughout this process. A letter and schedule will go out with Report Cards next week. With MCA's around the corner, it's time for SURVIVOR! Grades 7-12 will once again participate and compete in Survivor: Northome Edition. Each event and challenge will help to prepare and motivate our students for the MCA's! The events will take place once a week and continue throughout the month. This is a time for students to use teamwork and knowledge to be the winners of Survivor! I would like to congratulate our February Spotlight Students of the Month: Merissa Dreher, Jayden Lindley, Brooklyn Waller, Morgan Humble, Eva Smith, Lily Rosson, Mariah Hanson, Jordin Barnard, Corey Henning and Bella Elhard. Thanks for being great role models and showing kindness! Friday is the last day of quarter 3. Students in grades 7-12 that have 90% of their assignments turned in will be heading to BSU's Rec Center for a few hours on Friday and then to Pizza Ranch for lunch. The Golden Apple Winner for the month of February is Ms. Chaz Dietrich. Ms. Chaz comes to school each day with a positive attitude and willingness to go above and beyond her position to help out including subbing when needed. Ms. Chaz's willingness to help where needed shows her dedication to the school community, coworkers and students alike. Ms. Chaz

possesses a kind demeanor that sets a positive example for students and fosters great relationships. We would also like to recognize Chaz, Javon and Riley for the wonderful job they did hanging the book chain in celebration of I Love to Read month. Ms. Chaz's contributions are invaluable and we are fortunate she is part of our Mustang team!

Board Report: The district received a teacher letter of intention to begin negotiations for the 2025-27 Master Teacher Contract as the current contract expires June 30, 2025.

Superintendent's Report: There will be an upcoming Athletics Banquet in April. There will be also be an upcoming athletics meeting to discuss students signed up for more than one sport during the season and the logistics surrounding the topic.

The next regular monthly board meeting will be held on April 16th, 2025 at 7:00 p.m. at Northome School.

Moved by Emily Lindley, seconded by Scott Mai to adjourn at 8:37 p.m. Motion carried unanimously.
