Subject: Updated Quality Review

I would like the opportunity to provide the Board of Education an update on the internal review process our QAR team has created, during the Committee of the Whole meeting on May 15, 2023. I look forward to sharing the work we have done over the last year. After the last external review, we wanted to move to a more robust internal system that we will begin in the fall of 2023.

Thank you for your consideration of this request.
