

Shanise Rogers is a graduate of University Wisconsin-Milwaukee fall 2013. I taught at the UWM Children's Learning Center as the lead K4/K5 teacher. My experience at Atwater includes: student teaching in Bridey Richards' K5 classroom, K5 assistant teacher, and the Jr. Kindergarten teacher for the 2014/15 school year. I really enjoy meeting and connecting with new students and families every school year. I am so grateful and excited to be back at Atwater. I truly love teaching in the Shorewood School District!
