Dear School Board of Cameron,

Our daughter is in a unique situation. It's factual that she has already satisfied her graduation requirements and she holds a 4.0. Because of this, we are wanting her to start college in January at UW Barron County, and are willing to pay for the classes ourselves. Her school schedule would look like this:

Monday and Wednesday:

11:00 – 12:15	Intro to Acting
1:30 – 2:45	College Algebra

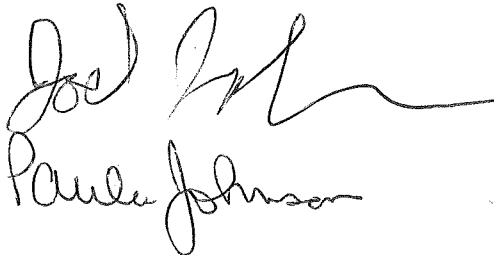

Tuesday and Thursday:

11:00 – 12:15	Intro to Public Speaking
1:30 – 2:45	English 101

In addition, she would like to continue taking Advanced Composition at Cameron High. Since she will be taking 12 credits, we, as the parents, would like her excused after Advanced Composition which would be her first hour each day. Along with these added college classes, she holds a part-time job and would require those few morning hours after Advanced Composition to put toward her UW Barron County classes.

Thank you for your time to consider this matter.

Sincerely,

Paul Johnson
