

Student Rights and Responsibilities

Students have the right to a quality education and the responsibility to put forth their best efforts during the educational process. Students have the right to expect school personnel to be qualified in providing that education. Students have the responsibility to respect the rights of other students and all persons involved in the education process.

The rights and responsibilities of students, including standards of conduct, will be made available to students and their parents through handbooks distributed annually.

(cf. Policy #5020 Equal Educational Opportunity)

(cf. Policy #5020.1 Nondiscrimination)

(cf Policy #5090.1 Student Due Process Rights)
