### Facts of this Matter:

As a part of the ZCHS Ascension Stadium Locker Room Addition and Renovation project, quotes for furniture items were solicited from qualified vendors in accordance with Indiana statute. After evaluating cost and the anticipated delivery and installation time frame, the Leadership Team recommended the purchase of a portion of the furniture as quoted by KI on the April 2025 Board of School Trustees meeting. Quotes were sought from three qualified companies for the remainder of the furniture, and the lowest quotes are now recommended for Board consideration and approval.

### Objective POSITIVES related to this item or approach:

This action will provide the remaining furniture needed for the operation of the Ascension Stadium Locker Room building. Acting now will provide the best opportunity to align installation with the completion of construction in that facility.

### Objective NEGATIVES related to this item or approach:

None identified.

### Financial Implications, if any:

These furnishings were planned and budgeted for within the previously approved ZCHS Ascension Stadium Locker Room Addition and Renovation project. The low quote for this package includes \$68,953.72 from Sharp School Services and \$8,187.00, for the recommended alternate from RJE Business Interiors, for a total cost of \$77,140.72. This amount, combined with the previously authorized purchase for this project, remains within the overall furniture budget for this project and will be paid from 2024 bond proceeds.

### Opinion/Recommendation:

Approval.

### Suggested Wording for a Motion, if any:

I move to authorize the Leadership Team to execute the furniture purchase as presented within the scope of the previously approved ZCHS Ascension Stadium Locker Room Addition and Renovation project.
