**Campus News:**

Enrollment at an all time high  
Waiting list with 7 students on it

A+ curriculum webinar training scheduled for CMS,  
CHS and WAHS staff –TBA

New set up for A+ this year, students are showing  
success with the design. Yearlong course is now  
divided up into six week terms.

**EARNED CREDITS:**

New this year a pre-test feature on A+ allows students  
to test through lessons.

36 semester credits were recovered the first week with  
this feature in A+. If a student can pass the pre-test  
they are sent to the final test for a chance for credit.  
We allowed for any denied or failed credits to be  
recovered.
