## New Business:

Celebration of Learning Night and Taco Feed was moved to March 7<sup>th</sup> due to school closure. Celebration of Learning Night was a success. Due to school closure due to weather, Science Works was unable reschedule to March 7<sup>th</sup>. Mr. Fall, Applegate's Science teacher did several different science explosion experiments. Site Council would like to see how to get more families out. Jean Hall suggested that we have more student involvement. That we could have more students running stations and help teachers with an experiment or presentation. Site Council also discussed shortening the time by about 1/2 an hour. It appeared that we had about 31 students with families who showed up.

Outdoor School will be May 13<sup>th</sup>-15<sup>th</sup>. Mr. Fuller has suggested that next year the outdoor be held at the OMSI camp in Newport. Another school in the district went and enjoyed it. Applegate will be looking into a grant to help pay for part of the cost. Then it should cost the same as the outdoor school that Applegate is doing at Pacifica.

Jeremy Criswell started working with students to finish mural on March 18<sup>th</sup>. The mural should be completed by the end of April.

The Volunteer Tea is scheduled for May 20<sup>th</sup>. Diana, Applegate's café manager will be baking goodies with middle school students for the tea. K-5 teachers will have students make cards. Teachers will assist students in potting flowers for Volunteer Tea.
