School and Community Recognition

October 2014

Ed Crawford: Members of the Board, this month I'm pleased to present representatives from Laura MacArthur, Lincoln Park, Piedmont and Stowe schools for recognition. The Achievement Gap refers to the differences in academic performance and on-time graduation rates between groups of students. Most commonly, gaps are evident based on race, ethnicity, socio-economic status, gender and disability. The goal nationally, in Minnesota, and here in Duluth, is to raise achievement for all students, and to make greater gains more quickly for those students who

experience an achievement gap. Minnesota measures progress by Multiple Measurement Ratings and Focus Ratings. Overall, most ISD 709 schools increased their MMR, FR or both. This month, the Minnesota Department of Education recognized several Title I schools for their progress in this regard. They designated Lincoln Park, Piedmont and Stowe as Continuous Improvement Schools, and Laura MacArthur Elementary as a Reward School. It takes significant planning, collaboration, support and hard work from people inside and outside our schools to make these gains. This growth can be attributed in part to school leadership, parent and community support, structured time for teacher collaboration, ongoing review of individual student data and identifying appropriate interventions and increased funding, among other strategies. Congratulations to everyone working at these schools to support achievement for all students.

Superintendent's Report

October 2014

Superintendent Gronseth - We have some great opportunities coming up for the community to learn more about the Duluth Schools: October 30, from 6-9 @ Clyde Iron Works is the kick-off for the Mayor's initiative on Bullying. There will be a viewing of the movie "Bully" followed by discussions regarding how best to prevent and respond to bullying. This event will be followed by three additional meetings that we have scheduled throughout the community. These meetings will also be around the topic of preventing and responding to bullying. We will be using the input as we further develop the district policies and procedures regarding bullying behaviors. November 6th at Lincoln we have the Annual Meeting. From 6-6:30 people will be able to view student displays, hear from our music groups, and learn more about our district. Then at 6:30 I will make

a presentation and share a video update of progress we are making on the District-wide Continuous Improvement Plan. The presentation will be followed by refreshments from our culinary students and more time to view the displays. In addition to these meetings, there are many opportunities to be involved in the Duluth Schools. People can contact their local school to learn more about volunteer opportunities. We encourage people to become involved. Also, I have become involved in an effort to raise awareness and funds for Operation Warm, in conjunction with Duluth Firefighters Local 101, and I will shave my beard if enough money is raised in my name for Operation Warm.
