

Cameron Elementary School
Principal's School Board Report
December 22, 2025

November 21 - Cameron Elementary School celebrated the end of the 1st trimester with Minute To Win It games in the elementary gym. Each grade level had a designated time to go to the gym and have some fun. Thank you to Mrs. Olson, Mrs. Miley, and Mrs. Olson for organizing this.

December 1 - Three students represented Cameron Elementary School during the Barron County Shop With A Cop event. Students were chosen to go Christmas shopping with multiple officers from the Cameron Police Department and the Barron County Sheriff's office. There was an allotted amount of money students were allowed to spend. They needed to spend a portion on their family and there was some to spend on themselves. Students met up at Farm and Fleet to complete their shopping and then ate dinner at Maranatha. Our students had a great time and I would like to thank our local law enforcement agencies for providing such a needed program.

December 3 & 4 - The Lion's Club met with students to check vision and hearing. Students in grades 4K, 1st, and 3rd, along with any other students designated get tested. Thank you to the Lion's Club and Mrs. Feidt for running this program.

December 11 - The Cameron District administration team and school counselors met with the Barron County Health and Human Services team. During this meeting we discuss families in our district and services either being given or recommended services.

December 11 - The Cameron Elementary Christmas Program was held. Our students were outstanding in their performance. I would like to thank Mrs. Traicof-Stratioti and all of the other staff members that helped make this a successful day. I would like to thank our custodial department for making sure everything was set up.

December 18 - Cameron Elementary held its retiree get together. We had a nice number of retirees visit. It was great to see all of them.

I would like to say thank you to our technology department. They have worked very hard this year to support the elementary school. They also have done an excellent job having our programs live streamed for people to watch from home.

I would like to wish everyone a Happy Holidays. Cameron Elementary School has a wonderful staff that are extremely dedicated.
