Re: 2019 Niji-Iro Renovation Project – 2013 Bond

We would like to discuss the bid responses received for the Summer 2019 construction project at Niji-Iro Elementary School, at the next Building and Site Committee meeting on Tuesday, January 22, 2019.

The RFB for the Summer 2018 construction projects at Niji-Iro Elementary were made available on December 4, 2018. The bid responses were due on December 20, 2018 and January 8, 2019. We received more than 70 proposals and members of the Bond Team have reviewed the information and interviewed the bidders. The recommended bidders are detailed in George W. Auch Company's recommendation letter, which accompanies this memo. The cost for the Niji-Iro hard construction is \$2,138,307.00, plus a 10% contingency of \$213,831.00 and fees of \$214,190.00, for a project total of \$2,566,328.00. Please note, this includes acceptance of four alternate bids.

Please add this topic to the upcoming meeting to be held on January 22, 2019. Thank you.
