### Type of Board of Trustees Consideration Sought:

Action	<input checked="" type="checkbox"/>
Discussion	<input type="checkbox"/>
Report	<input type="checkbox"/>

### Facts of this Matter:

ZWMS teachers Megan Brenton, Madeline Edwards, Andrew Kistner, and Dylan Lewis are requesting to organize a 1 day trip to Cincinnati, Ohio to attend the Kings Island Music Festival on May 9, 2026. The 8<sup>th</sup> Grade Choir and Orchestra will be participating in this event. The students will perform for ratings, comments and awards by a panel of trained musical adjudicators and then spend a considerable amount of free time at Kings Island before the awards ceremony and the trip back home to Zionsville.

Transportation	All Travel arrangements will be handled through Music Travel Consultants, a nationwide leader in student travel. We will be traveling in motor coaches.
Parent permission obtained	Parents will sign their child up for trip on Music Travel Consultants Website.
Cost to students/families	Approximately \$200-250/student spread out in four installments.
About supervision	We are projecting a 10:1 student to chaperone ratio. That puts one chaperone in charge of two groups of children. All chaperones will have a full background check. We will also have check-in times at Kings Island, and a process where students can receive assistance at all times while in the park.

**Objective POSITIVES related to this item or approach:** The musical benefits of this trip are tremendous for our students. They are able to see how other groups perform from around the country and how their achievement level compares with those other groups. Not only this, but they receive comments, instruction, and encouragement from nationally recognized musicians and teachers. This trip should prove to be quite an interesting and exciting educational experience.

**Objective NEGATIVES related to this item or approach:** There are many factors that will make it impossible for every member of the Choir and Orchestra to attend this festival. There is no weekend in the school calendar where there isn't some type of conflict. There may be some financial constraints with select families, and we intend to use all of our resources to minimize any barriers and have as many of our students participate as possible.

**Opinion/Recommendation:**

This trip is recommended for approval.

**Financial Implications, if any:** The cost of this trip will be approximately \$200-250/student. Chaperones will cost a little bit more. Music Travel Consultants has an online registration and payment system that makes paying for the trip safe and convenient. After registering, the payments can be spread out into four installments. We intend to use funds from our fundraiser to support families who may need financial support with this experience. Our goal is to have as many students participate as possible.
