MEMORANDUM

To: Members of the Board of Trustees
From: Ms. Aggie Reyes, Executive Director of Child Nutrition Services
Subject: July 2025 – Meal Service Update
Date: August 13, 2025

HISTORY: The Child Nutrition Services Department will provide a monthly report to the Members of the Board of Trustees.

RATIONALE: The Child Nutrition Services Department served 23,159 student meals through July 30, 2025. This count includes breakfast, lunch, and supper meals.

We're excited to kick off the school year with student favorites that include boneless wings, freshly baked rolls, beef tacos, homemade beans, meateaters pizza, and chicken pozole. New menus feature catfish tenders, birria pupusas, teriyaki chicken, and beef flautas, all paired with fruits, vegetables, and milk to create balanced and nutritious meals.

Our new A2A2 milk is intended to aid in digestion and help increase milk consumption.

We included a few of these meals on the KVIA interview that took place on the first day of school.

Our goal this school year is to keep bellies full to fuel student minds.

BUDGET IMPACT: No budget impact.
