## FROM THE PRINCIPAL

Dear Parents and Community Members,

This annual report card issued by ODE offers a comprehensive picture of what Nehalem Elementary School offers to students and families. We are proud that students did so well in reading and math this past year. In 2016-2017 we set high goals for our students in reading, writing and math and met our goals in almost all areas. We also gave teachers high quality professional development in those same content areas. We look forward to partnering with you over the coming year to help us continue to achieve success and growth for our students.

Thank you,

Principal | Kristi Woika

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
