Subject: Consider Approval of 2024 Bond First-Sale CSP #3350-26 High School Stadium Lighting with LED Replacement (AS01)

Background Information:

- On May 4, 2024, the voters approved a \$101,834,000 Bond Referendum including three separate athletics-related Bond Propositions. Proposition A included all projects related to natatoriums. Proposition B included all projects related to athletics and recreation facilities. Proposition C included all stadium-related projects with more than 1,000 seats.
- Included in the 2024 Bond is the replacement of the stadium lighting at all five Lewisville ISD high schools. The new lighting will be new LED fixtures mounted on the existing poles and will have color capabilities.

Administrative Consideration:

- Competitive Sealed Proposal invitations were sent to 2,039 suppliers, and 10 responses were received.
- The recommended vendor for award provides the best value to the District.
- Best value involves considering several factors, which may include, but are not limited to, price, quality, availability, delivery timing, support, and other relevant factors.
- The total project pricing is within the overall project budget, and if approved, funding will come from the 2024 Bond Funds.
- Anticipated project expenditures with bonding cost: \$1,622,000.
- If required, a 15% owner's contingency: \$243,300.
- The procurement complies with Section 2269 of the Texas Government Code and state and local procurement laws.

Recommendations:

- That the Lewisville ISD Board of Trustees approves CSP #3350-26 High School Stadium Lighting with LED Replacement, the recommended vendor, the related expenditures, and an additional 15% project contingency within the overall project to be utilized as needed for unforeseen conditions or adjustments necessary in scope during construction.

Timeline/Report:

- Upon approval, the materials will be ordered, replacement will begin, and the estimated substantial completion will be August 1, 2026.
