

Browning Elementary

Board Report for August 8, 2023

Leadership:

Mrs. Sheila Hall and Ms. Racquel Little Plume is looking forward to the 2023-24 school year. We worked with grade level teams over the summer to plan for teaching and learning. With that planning we are excited for the return of students and staff to Browning Elementary in meeting the needs of the whole child with our kindness campaign.

Instructional Coaches:

For the last couple of years we have been unable to fill the second position for an instructional coach. This year we are very excited as we will have two instructional coaches, Melissa Henderson and Arlene Wippert.

Custodians:

Over the summer the custodians worked hard to get the building ready for another school year for the second and third grade students. Shout out to BES custodians: Angela Spotted Eagle, Quentin NewRobe and William Lawrence for their hard work to ensure the building is ready.

Secretary:

The BES secretary Dellyssa Ladd has been busily preparing for the school year ordering supplies, checking in orders, distributing supplies, registering students and updating information on Infinite Campus. We sure appreciate Dellyssa for ensuring that we are ready to start off the school year.

Leadership TEAM:

Earlier this summer grade level teams came in for SBE Core Content planning to plan the upcoming 2023-24 school year. Teams worked on planning instructional curriculum maps for science, social studies, writing, reading and math.

We will continue with our four focuses to center our work around, which are (1) Science of Reading, (2) Science of Writing/Handwriting, (3) Math plan following Mary Buck's guidance and (4) Social Emotional Learning with Conscious Discipline & DESSA. Our school action plan is built around these four focuses with specific action steps of how we will accomplish these goals.

In addition, at the end of July, the school leadership team came together at leadership week to work on the BPS strategic plan, SLT action plan, systems and structures to ensure a successful year of learning. School leadership team pictured is Melissa Henderson, Arlene Wippert, Tori Boggs, Cari Stoves, Sheila Hall, Mishayla Calf Boss Ribs, Kayla Jeckell, Racquel Little Plume.
