

UNITY EAGLES

UHS Science Olympiads: An Exciting New Club!

This year marks the first year for Unity High School's Science Olympiad Club. Mrs. Sara Riehbrandt, the Science Olympiad Coordinator, worked hard to put together Unity High School and Unity Middle School teams to compete in local and regional Science Olympiad competitions. Science Olympiads provides students all across the nation incredible opportunities to compete in STEM competitions ranging from Earth and Space Science to Technology and Engineering. There are over 6,000

teams and 425 competitions throughout the United States. When the program began earlier this year, nobody could have imagined the incredible amounts of success that the HS and MS teams have had. In fact, the Unity HS team took 4th out of 25 teams at their regional competition in Menomonee, which allowed them to qualify for the state competition in Milwaukee! Overall, the students have had an absolute blast and have started an incredibly strong tradition of success in their first year!

EXCITING EVENTS

Check out the Unity Website

Congratulations to the Unity High School Boys Basketball team! Not only were they Lakeland Conference Champs this year, but they became the Regional Champs on Saturday, March 4th.

1

The amazing success of the Unity Farm 2 School program continues to benefit the students at Unity School District. Here, several students are sharing the newest batch of fresh, tasty lettuce.

2

During the week of February 13th, Unity's SkillsUSA Club hosted their Skills Week events. Students had the opportunity to compete in welding, wood making, and other craft categories.

3

Unity High School's production of Disney's The Little Mermaid had an incredibly successful opening night on Thursday, March 2nd. The house was nearly full and the cast did such an incredible job!

4

During the week of February 13th, Unity High School enjoyed Snowball Week! Students enjoyed various activities, dress-up days, and highlighted all of the incredible clubs at Unity High School. The Student Council did a great job!

"Practice like you have never won...compete like you have never lost."

ACT Testing a Success!

The junior students at Unity High School took the ACT on Tuesday, March 7th. All of the students have been working hard all year within their ACT Prep classes to get ready for this year's exam. With the purchase of the ACT Prep program through Horizon Education, the student walked into the exam feeling prepared and ready for the task at hand. After taking

the exam, numerous students expressed to teachers that they felt extremely ready for the exam and they felt as though it was not as hard as they expected. Hopefully, when the results come back later in the spring, they showcase the growth of our students and their success on the ACT. We are proud of the students for their efforts to achieve at high levels!
