SUBJECT: Update of Policy 4160 Residency and Enrollment on a second read

Our current policy 4160 Residency and Enrollment was last approved by the Board in January of 2020. The purpose of this update is to align the policy with the current Utah codes/statutes. We have included a section regarding the entrance age for enrollment in this updated policy. With this addition to the policy, we are asking to repeal policy 4140 Entrance Age. We are seeking Board approval of this policy on a second read.
