Mr. Chris duBois
Superintendent, Crockett County CCSD
P. O. Box 400
Ozona, TX 76943

Dear Mr. duBois:

We have completed our study at the intersection of SH 163 (Ave E) and 6th Street. At this time, we do not recommend the installation of an overhead flashing beacon.

We are planning to install an in-street pedestrian crossing sign (R1-6). The sign will read STATE LAW YIELD TO (pedestrian symbol) WITHIN CROSSWALK as shown on the enclosure. The sign will be installed on the centerline of the pavement at the crosswalk. We will order the sign and install it as soon as we receive it.

Once the sign is installed, we will continue to monitor the intersection. If you should have any questions, please contact Angie Ortegon, District Transportation Operations Engineer in San Angelo at 325-947-9211.

Sincerely,

Tracy D. Cain, P.E.

Notes:

1. The use of the STATE LAW legend is optional on the R1-6 series signs (see Section 7B.12).
2. The use of the SCHOOL plaque above the R1-6 signs is optional.

Guidance:

05 *The beginning point of a reduced school speed limit zone should be at least 200 feet in advance of the school grounds, a school crossing, or other school related activities; however, this 200-foot distance should be increased if the reduced school speed limit is 30 mph or higher.*

Standard:

06 **The School Speed Limit assembly shall be either a fixed-message sign assembly or a changeable message sign.**

07 **The fixed-message School Speed Limit assembly shall consist of a top plaque (S4-3P) with the legend SCHOOL, a Speed Limit (R2-1) sign, and a bottom plaque (S4-1P, S4-2P, S4-4P, or S4-6P) indicating the specific periods of the day and/or days of the week that the special school speed limit is in effect (see Figure 7B-1).**
