From: William Green, Assistant Superintendent for Operations and District Services

Re: Food Service Purchase 2026-2027

I would like to request that an item be added to the Committee of the Whole meeting scheduled for Monday, June 8, 2026, to discuss the purchase of Food and Nutrition Services Department items.

Background

The Food and Nutrition Services Department is responsible for ensuring the consistent and efficient provision of breakfast and lunch meals to students across the district. To support this work, the department must partner with reliable vendors capable of supplying necessary food products and materials in alignment with district needs and nutritional standards. Using food service department data from the 2025-2026 school year the following procurement recommendations for the 2026-2027 school year are below.

Recommendation

It is recommended that the following vendors be approved to supply the items necessary for the district's meal program:

- Van Eerden, Grand Rapids, MI – \$3,000,000
- Cedar Crest Dairy, Hudsonville, MI – \$320,000
- AJD Pizza/Domino's – \$250,000
- Livonia Italian Bakery, Livonia, MI – \$100,000
- MMAS Solution, Canton, MI – \$100,396.75

The district has maintained successful partnerships with these vendors for several years, and each has consistently demonstrated reliability and high-quality service. MMAS Solution also provides the added benefit of storage capacity for trays until they are needed, offering operational flexibility and efficiency.

All listed vendors meet required nutritional standards, including the use of whole wheat products where applicable. Additionally, each vendor is Michigan-based, supporting local businesses while ensuring dependable service delivery.

Please include this item on the agenda. Thank you.
