Re: 2026-2027 Act 18 Capital Outlay Technology

I would like to place on the agenda for the Committee of the Whole meeting on June 8, 2026, a discussion of the Act 18 Capital Outlay Technology purchases for the ASD, WSKSL, MOCI, and VI programs for the 2026-2027 school year.

The total amount of these purchases is \$99,366.25. These purchases are covered under the Act 18 2026-2027 budgets.
