Re: 2027 Ford Fleet Transit Vehicle

I would like to request that a discussion item be placed on the agenda for the Committee of the Whole meeting on June 8, 2026, regarding the purchase of a Ford Fleet Transit 10-passenger vehicle. This vehicle will be used by the Garfield Act 18 Workskills Program.

The funding source is a \$50,000 grant from Lowell Rodney Johnson Foundation and \$18,976 from the Act 18 discretionary funds. The total amount of this purchase is \$68,976.
